DECLARATION

I, Dr. Jobi George, Principal of Bhiwapur Mahavidyalaya, Bhiwapur humbly apprise the Authorities concerned that the Feedback has been collected in dual mode; Offline and Online.

The reasons for the above are as follows;

- **All the students do not possess an android mobile handset.**
- **The handsets available with some of the students are being shared by their siblings for educational purposes.**
- **As the students enrolled in the Institution hail from an area very close to reserved forest, network connectivity stands to be a prominent issue.**
- **To overcome all these obstacles and giving due reverence to all those stakeholders who by volition came forward to fill in the Feedback Forms , on demand , were given hardcopies to be filled.**
- **Thus, the analysis and Action Taken Report has been generated for the perusal of the Authorities concerned and improvisations to be initiated by the Institution.**

The above given information is true to the best of my knowledge and will stand any check in times.

**Dr. Jobi George

**Place – Bhiwapur
Date- 4 September, 2021**
