To Whom So Ever It May Concern

The Feedback Mechanism provides Quantifiable and Qualitative measures for improvisation in the Teaching- Learning process. It stands impoverished without proper actions being executed to bring the desired results on improvisations. The following Feedback forms have been received: Feedback of students on teachers, Students' Feedback on College, Teachers' Feedback on College and the Feed Back of Non-Teaching Staff on College.

A graphical representation of the responses has been noted as per the Likert Scale for Students' Feedback and the other Feedbacks. Specimen copies are attached under the title of Appendix for the entire Stakeholders' Perusal. The Action Taken Report for the Feedback collected gives the complete analysis of the Feedback of Teachers, Students, Employers, Non-teaching Staff, Parents, Alumni and Management. Keeping the student's identity confidential, and as per the analysis, Advisory letters have been extended for further improvisations and Appreciation Letters expressing gratitude for the services extended by the faculty.

The faculties have taken the Feedback from the students very seriously and the Institution with its mechanisms ensures to bring out positive results. The Institution believes in the competency of its faculty and provides opportunities to the faculties to update their pedagogical approaches. The Feedback from Parents, Alumni and Employers impacts the pedagogical process and therefore it has been ensured to take the Feedback seriously and make changes as per the inputs received after the generation of the Action Taken Report.

The Action Taken Report below gives the complete analysis of individual teachers which due to confidentiality has been conveyed in an amiable manner.

- The faculty was apprised of the responses and was asked to take the Feedback responses seriously as it could affect the learners' psyche.
- Secondly, such incidents could also trigger disbelief in the education system.
- The team of IQAC took into confidence the faculty and appreciated his other parameters of Feedback which were excellent and then elicited the reasons of how and why such responses were received.
- The faculty was apprised of the responses and was asked to include ICT enabled Teaching Methods and also use a blended mode of teaching methodology.
