BRIEF REPORT	Bhiwapur Mahavidyalaya is committed to unveil the creative instincts of our students through the layers of our coveted College Magazine "Nirdhar". "Nirdhar" is a gateway for

hundreds of students to unwind their creative talents; may it be poetry, prose or any other literary form. The “Magazine Committee” of our Institution provides proper platform for such students to initiate their literary journey by exploring their innovative and creative thoughts. A student may like to present creative ideas in the form of poetry, short narrative, essay, humour, fiction, puzzles, or cartoons, in the College Magazine “Nirdhar”, which is published once in an Academic Year. A student has the freedom to explore ideas in any of the two languages viz. Marathi and English, depending upon his/her command over the language. Students inclined to painting, cartoon, pencil sketch and photography can also exhibit their talents in the Magazine. The role of teachers is also very imperative to bring out a good Magazine. The main role of teachers, however, is to encourage and guide the students who desire to nurture their writing skills. The responsibility of the Editorial Board of “Nirdhar” is taken up by the language teachers, along with some senior students. It is also the responsibility of the Editorial Board to see that no student is indulged in plagiarism. The selection of material was done by the Editorial Board very judiciously. While making selection, the Editorial Board paid due attention and selected only proper write-ups. The Editorial Board suggested necessary corrections in the language, style etc., of the articles selected for publication in the College Magazine. Thus, the

“Magazine Committee” stimulated teachers to identify and encourage the creativity, original thinking, and presentation skills of the students.

As a part of regular practice.

As part of our regular practice, the College Magazine Committee, vide its Circular issued on 27<sup>th</sup> September, 2017 invited the original literary compositions and some innovative designs for the Cover Page of ‘Nirdhar’ from students’ fraternity for the Academic Session 2017-18. To select the Editors of ‘Nirdhar’, the “Magazine Committee” issued Circular on 4<sup>th</sup> March, 2018 to organize ‘Essay Writing Competition’ on the topic “‘Environmental Balance and Today’s Youth’”. On 10<sup>th</sup> March, 2018 the Student-Editors of “Nirdhar” for Marathi and English languages were selected by the Committee. Asst. Prof. Dr. Madhukar Nandanwar, the Member Secretary of the “Magazine Committee”, along with all the teaching staff, encouraged the students to submit their original handwritten literature to be published in the College Magazine. In addition to the original literary creations submitted by students, the Member Secretary sought the Annual Report of some prominent Committees along with the photographs; vide notice issued on 24<sup>th</sup> April, 2018. Thus, “Nirdhar” reflected the literary, educational and sports activities executed in the College. As such, it projected the important events celebrated in the College during an Academic Session 2017-18. The

	<p>'Magazine Committee' of the College had put in their best efforts to bring out the Magazine for the Academic Session 2017-2018. The Magazine was received by the students and staff very enthusiastically.</p>
