MODE OF ACTIVITY	Offline
ORGANIZING COMMITTEE	ECO – CLUB
PROGRAMME COORDINATOR	Asst. Prof. Dr. Nitisha Patankar
COMMITTEE MEMBERS	1. Asst. Prof. Dr. M. R. Chavhan, 2. Asst. Prof. Sagar Yadav
NUMBER OF STUDENTS/BENEFICIARIES PARTICIPATED	122
BRIEF REPORT	The 'Eco-club' of our Institution, under the aegis of its IQAC Chapter, organized a Programme on 13 <sup>th</sup> June, 2017 to create

awareness among our students about Global Warming and Climate Change. Dr. Jobi George, the Principal of the College, Chaired the Function. Dr. Jobi George, in his Presidential Address, expressed his concern about the issue of Global Warming and Climate change, and further emphasised on the urgent need for creating awareness among students to save the Mother Earth. To realize the concept of 'Go Green Campus', the Principal announced the ambitious plan of our Institution to plant 100 saplings within the premises of the College.

A Mega Rally was organized on 27<sup>th</sup> June, 2017 in Bhiwapur and created awareness among the people about various environmental issues. As such, Asst. Prof. Sagar Yadao, Head, Department of Botany, along with Asst. Prof. Dr. Nitisha Patankar, Member Secretary of Eco-club, visited a famous Nursery at Pauni in Bhandara District to purchase saplings on 29<sup>th</sup> June, 2017. As per the announcements made by the Principal of the College about planting 100 saplings in the College Campus, we conducted a Special Plantation Drive on 1<sup>st</sup> July, 2017. The Drive was inaugurated at the hands of the Principal of the College. Along with the students, all the teaching and non-teaching staff of the College extended their sincere cooperation in planting 100 saplings in the College Campus. The Mega Tree Plantation Drive was followed by an enlightening lecture of Dr. Nitisha Patankar on the issue of Global Warming. With the recitation of National Anthem, the

	programme came to an end.
<b>PROGRAMME OBJECTIVES</b>	<ul style="list-style-type: none"> <li>• To educate students about climate change and other environmental issues.</li> <li>• To motivate students to undertake some fruitful activities so as to protect and conserve natural resources.</li> <li>• To create awareness about the role and responsibilities of citizens, Government and other agencies in protecting and conserving natural resources.</li> <li>• To channelize Government's efforts towards conservation of natural resources and environment.</li> <li>• To sensitize students about the adverse effects of spoiling natural resources.</li> <li>• To mark the active participation of 'Eco-Club' in protecting and conserving the environment and natural resources.</li> <li>• To ensure the holistic development of students.</li> <li>• To create awareness among the staff and students about Institutional Social Responsibilities (ISR).</li> </ul>
<b>PROGRAMME OUTCOMES</b>	<ul style="list-style-type: none"> <li>• Created awareness among students about climate change and other environmental issues.</li> <li>• Motivated the students to undertake some fruitful activities so as to protect and conserve natural resources.</li> <li>• Created awareness about the role and responsibilities of citizens, Government and other agencies in protecting</li> </ul>
