BRIEF REPORT	To create awareness among our students about Global Warming and its devastating consequences on human life, the "Eco-Club" of our Institution organized an event on 1 st December, 2016. The event was kicked off with the informative speech of Asst. Prof. Dr. M.R Chavhan, who highlighted the relationship between the Mother Earth and

Humans. He expressed concern over the consequences of exploiting the resources of Mother Earth by human beings. He concluded his Speech with a strong message about the urgent need for protecting our environment from further decay. On this occasion a “Tree Plantation Drive” was conducted in the College premises followed by a Mega Rally to create awareness among the people about various Environmental Issues. In all, eighty students participated in this Rally. The Rally was concluded with the strong message of Asst. Prof. Dr. Nitisha Patankar, the Member Secretary of Eco-Club, about the harmful and deadly effects of Global Warming. She further exhorted the students to take up the responsibility of protecting our environment from being polluted. The Programme was wrapped-up by singing the National Anthem.
