BRIEF REPORT

As per the Guidelines laid down by Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur for the Academic Session 2016-2017 about conducting various activities under "Population and Adult Education" Centre, the Volunteers of the Committee took part in the preparation of Project Works and other related activities.

The "Population and Adult Education" Unit of our Institution, in collaboration with Primary Health Centre, Somnala (Tah: Bhiwapur), organized a "Sickle Cell Detection Camp" on 13th and 14th January, 2017. The Camp was formally opened with the Guidance Lectures of Mr. Ajay Sane, Project Manager for Sickle Cell, along with Dr. Sonali Dudhat, Health Officer, Government Primary Health Centre, Somnala in Bhiwapur Taluka. They spoke about various misconceptions among people about Sickle Cell. During the Camp the Blood Samples of 261 students were checked to identify students carrying Sickle Cell symptoms. Out of 261 students, 11 suspected patients were recommended for advanced tests. The team of Health Workers from Government Primary Health Centre, Somnala, comprises of Shri R. V. Mandale, Shri. Y. S. Meshram, Shri. V. N. Jambhale, Mrs. Yogita Pande and Ms. Mrinali Nagdeve, worked hard to make this Camp a grand success.

PROGRAMME OBJECTIVES
