BRIEF REPORT	Remedial classes are planned and conducted before the Mid-Semester and End Semester Examinations. Conducting Remedial Classes for Slow Learners is essential for

strengthening the area where they are academically weak. Considering this fact, Remedial Classes were conducted by all the Departments of our Institution from 23rd September, 2019 to 27th September, 2019. All faculties in our Institution delivered guidance lectures during the Remedial Classes for the Slow Learners of B.A., B.Com. and B.Sc., which eventually developed their Academic performances.

Based on the syllabus taught, an MCQ-level test was conducted, one month after the commencement of the regular classes. The students who scored below 60% marks were identified as Slow Learners and considered for the Remedial Classes. Slow Learners were highly benefitted by this unique practice of our Institution.
