BRIEF REPORT	Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur through its Department of 'Continuing, Adult Education and Extension' implements various community oriented

activities and accordingly guidelines are issued in every Academic Session. As per the guidelines, Bhiwapur Mahavidyalaya, through its "Population and Adult Education Centre" conducted various activities throughout the Academic Session 2017-2018. The Volunteers of "Population and Adult Education Centre" of our Institute had undertaken Project Works for onward submission to R.T.M. Nagpur University for obtaining Incentive Marks for the students.

The conservation of environment is embedded in the Indian culture and traditions. There is an ardent need to imbibe respect and care for flora and fauna in our Country. To generate awareness about environmental conservation, the "Population and Adult Education Centre" of our Institute took initiative by participating in the Awareness Campaign organized by Gowardhansingh Bhadoriya Vidhyalaya, Besur on 20<sup>th</sup> February 2018, in which Asst. Prof. Dr. R.K. Quraishi, the Member Secretary of the Committee, delivered a lecture on the topic "Environment in Danger". He revealed the fact that children are considered to be the best messengers of change. Awareness among children about conservation of natural resources will change the approach of society towards environment, he added. The entire teaching and non-teaching staff of Gowardhansingh Bhadoriya Vidhyalaya, Besur and the Team of Aniket De-addiction Treatment and Rehabilitation Centre, Umred along with the Volunteers of "Population and Adult Education Centre" of our Institute marked their gracious presence in the Programme.
