BRIEF REPORT	The Women's Study Centre of our Institution works hard towards spreading awareness among women about their health and hygiene issues. Keeping pace with this, the Women Study Centre of our Institution, under the aegis of IQAC, organized "Free Health Check-up Camp" on 29 th September 2022 in the premises of Bhiwapur Mahavidyalaya, Bhiwapur, in collaboration with "Government Primary Health Centre", Somnala, Tahsil Bhiwapur. Seventy-three girl-students were benefitted through Counselling, which helped them to understand the genuine issues of women in relation to their health and hygiene. As such, free medicines were distributed in the Camp. Dr. Sonali Dudhat, Medical Officer, along with her team, worked hard to make this Camp fruitful.
PROGRAMME OBJECTIVES	<ul style="list-style-type: none">• To bring awareness amongst the underprivileged womenfolk who have no access to basic healthcare services or knowledge about various diseases they are suffering from.• To ensure that the underprivileged people are getting free healthcare services at the right time.• To ensure that women are getting Consulting Services of Doctors at the appropriate time.• To create health awareness among girls and educate them to

	<p>deal with possible health issues.</p> <ul style="list-style-type: none"> • To verify and register rare and severe cases, if any, and refer them for advanced treatments. • To verify and refer medical cases towards surgeries, if required. • To help the girl students to understand the importance of sound health for sound mind. • To create sense of empowerment among girls through health awareness.
<p>PROGRAMME OUTCOMES</p>	<ul style="list-style-type: none"> • Ensured that the underprivileged people are getting free healthcare services at the right time. • Ensured that women are getting Consulting Services of Doctors at the appropriate time. • Created awareness amongst the underprivileged people about getting proper healthcare at the appropriate time. • Raised health awareness among girls and educated them to deal with possible health issues. • Verified the rare and severe cases, if any. • Verified serious Medical cases towards surgeries, if required. • Created awareness amongst girls to understand the importance of sound health for sound mind. • Created sense of empowerment among girls through health awareness programmes.
