BRIEF REPORT

It has been proved that the youth in the rural areas have greater physical capacity and potentials. By channelizing their physical potential, they can be made eligible for getting employment in various sectors like Defense Forces, Police Department, and Home Guard etc. Keeping this objective in mind, an 'Athletic Training Programme' for the students of Bhiwapur Mahavidyalaya and its adjacent areas was organized by the Department of Physical Education and Sports under the aegis of IQAC. Under this Training Programme, the Department took initiative to impart training of athletics to the youth, daily from 6 A.M onwards, on the open ground of Bhiwapur-Naxi Road. During this Training Programme, the trainees were made aware of primary care, injury and illness prevention, wellness promotion and education, emergent care, examination and clinical diagnosis and rehabilitation of the injured. The Training Programme enabled the youth in maintaining their physical stamina and potentials, besides keeping them aware of the proper diet and adequate physical and mental relaxation.

The Department of Physical Education also encouraged the trainees to develop their physical abilities at the budding age so as to keep them away from all sorts of addictions of intoxicative substances and mobilize their active participation towards Nation building. In all, fifteen athletes availed the benefit of said Training Programme.
