On

OPEN ACCESS: STATUS QUO INDIA

Organized

Under the auspices of

Department of Library and Information Science

Thursday, 5th January, 2017

INVITATION CARD

OPEN ACCESS : STATUS QUO INDIA

Sub-themes

- | | |
|---|--|
| 1. Open Access, its reasons and evolution | 6. Studies of OA initiatives in India |
| 2. Challenges and Opportunities of OA | 7. Open Archives and Indian open access repositories |
| 3. Open Source Software | 8. OA Self archiving |
| 4. Advocacy of OA Information resources | 9. Intellectual Property Rights in OA environment |
| 5. OA journals, OA publishing, OA portals | 10. Role of LIS professional in OA movement |

Today, institutions, academics, Research Scholars and students of Library Science, in particular, want to make their research output available through open access. On this background, the topic selected for the Seminar is relevant and will prove to be highly useful for scholars from the entire spectrum of Library Science. The topic "Open Access: Status Quo India" highlights information regarding growth, development and current status of Open access in India. This will also encourage the librarians to have their collections digitalized, which will provide measurable indicators of institutional productivity and increase in its prestige.
