ABOUT THE SEMINAR

Taking into considerations all the five core values viz

- 1. Contributing to National Development**
- 2. Fostering global competencies among students**
- 3. Inculcating value system among students**
- 4. Promoting the use of technology**
- 5. Quest for Excellence,**

As prescribed in the Manual for Affiliated / Constituent UG/PG Colleges,

Team IQAC of Bhiwapur Mahavidyalaya, Bhiwapur, after deliberations with all the stake holders, has come up with the topic, "Role of HEIs in Tapping Local Resources for Quality Sustenance and Quality Enhancement", as it encompasses all the educational imperatives HEIs are trying to strive.

Objectives:

The aim of this National Seminar is to provide a common platform to the administrators, academicians and teachers working in various educational disciplines across the country. This will help in developing a great mutual understanding and appreciation in tapping local resources for Quality Sustenance.

The College assumes following objectives to organize the proposed Seminar as:

- To explore the availability of local resources to foster local employment.**
- To bring awareness to tap available opportunities.**
- To impart skill development through HEIs.**
- To foster and sustain the conventional knowledge.**
- To generate self-employment.**

Outcomes Achieved:

- 1. Succeeded to give wider publicity to the flagship programme of the College 'One Student One Skill Programme' so as to enhance the employability of our students.**
- 2. Proximity of Industry-Academia**
- 3. A pilot project on handicraft and skill development is under way. (Smpurna Bambu Kendra, Melghat)**
- 4. Support from Mendha Lekha village in conservation of environment through traditional/conventional methods (conventional methods of Honey harvesting and Bee keeping)**
