Considerable amount of efforts had been made to resolve the grievances of students. During the Academic Session 2020-2021, as the students did not come to College due to the outbreak of COVID-19 Pandemic and its Protocols, the Academic activities of the students were completed through Digital Platform. However, the Committee made efforts to solve the problems faced by the students during the University Level Examinations as well as the Institute Level Examinations.</p> <p>Our Institution has developed a transparent, time-bound and efficient mechanism to redress the Internal Examination related grievances of the students. The Examination Committee, which functions under the direct supervision of the Principal, governs all the Internal Examinations like Unit Tests, Surprise Tests, Model Examinations, and University's Semester Examinations. Grievances regarding 'change of subjects', submission of examination forms and discrepancies found in the allotment of marks are resolved by the Administrative staff. When discrepancies are noticed or reported in the University's published T.R copies and Gazette of various results like 'change in name' or 'surname', and missing Internal/Practical marks, the Administrative staff, in consultation with the Principal, makes correspondences with the</p>

University Authorities and resolves the discrepancies.

The COVID-19 Pandemic period witnessed many discrepancies in the online mode of Internal Examinations and all these issues were redressed efficiently. Upon timely Redressal, the students were informed about the same through WhatsApp groups, over phone and also via emails. The Students' Counselling Centre arranged Online and Offline lectures of psychiatrists to support the students to get rid of their examination related fear psychosis. Anomalies like lack of Network coverage and glitches in the University's Examination Portal were reported to the University resulting in re-examinations and corrections in the TR copy and also in the University's Gazette of results. Internal and External Examiners are appointed by the University to ensure more transparency, efficacy and credibility in the Internal Examination system.

The issues of students like deficiencies in infrastructural facilities, shortfalls in sanitary facilities, issues pertaining to conveyance facilities to outstation students and other related issues are resolved as per the guideless of the Committee. The Administrative Staff, in consultations with the Principal of the College, made correspondences with the University Authorities and resolved the problems of students. Through this system, the problems of the students in the College were resolved.

Since the Academic, Co-curricular and Extra-curricular activities of the students were conducted mostly through Digital Platforms due to the outbreak of COVID-19 Pandemic and the subsequent Protocols and strict restrictions, other common issues and grievances of students pertaining to shortfalls in infrastructure facilities; Sanitary facilities and other issues of students were not there.
