The College Magazine plays a very important role in an educational institution. It channelizes the budding talented writers and helps in encouraging their writing skills by evaluation which motivates and inspires them to read and write much more.</p> <p>To achieve the above stated goal, the Head of the Institution has formed the 'Magazine Committee' to give ample opportunities to the young and talented students of the college. 	<p>Articles on current affairs etc.</p> <p>During the Academic Session 2020-21, the Magazine Committee issued Notice to the staff and students of the College on 6<sup>th</sup> October, 2020 for inviting their Poems, Quatrain, Thoughts, Lyrics, and Reports of various College level Committees and Articles on current affairs. Subsequently, the Committee issued another Notice to students on 15/12/2020 inviting their Literary creations through Online Mode for publication in the College Magazine.</p> <p>In spite of the COVID-19 Pandemic restrictions and complications, the students of the College had sent their literary creations to the Members of the Committee for publication. Though the Committee received poor response from majority of the students due to COVID-19 Pandemic restrictions and constrains, some of the students took interest in writing Articles and other literary works owing to the persistent follow up of the in-charge teachers. Though the Literary creations of students received were comparatively fewer in number, the Magazine Committee succeeded to publish the College Magazine 'Nirdhar' pretty late. The College Magazine was made available for the students in the College Website. Its Hard Copies were distributed among the students.</p>
