for the Academic Session 2021-22, the meeting of the Students' Counseling Centre was conducted through Online Mode due to Nation-wide lockdown. In this meeting, the Report of the previous Session was read out and this Report was unanimously approved by all the members of the Centre. A detailed discussion was held Online with the members of the Committee on various topics. After discussions on the assignments given by the Principal, it was decided to impart proper counseling to the students who were suffering from various psychological disorders and issues due to COVID-19 Pandemic

Due to the Nation-wide lockdown, the students were not in direct contacts with one another for so many months. Hence, Notices and other messages issued by the Students' Counseling Centre were circulated among the students through various Digital Platforms. The Centre created a Google Form for creating students' profile and accordingly they were informed to register their genuine issues in the Google Form. In this way, the students who had genuine issues got themselves registered. A total of 12 students got registered their problems through this Google Form. The Committee Members established telephonic contacts with the students who got themselves registered and they were given proper counseling. This task was done by the Member Secretary Asst. Prof. Dr. Vijay S. Dighore and supporting staff Asst. prof. Dr. Ashwini Kadu. Satisfactory solutions to the genuine psychological problems of these students were given by the members of the Committee with the support of Medical Expert Dr. Pradip Gupta.
