BRIEF REPORT	The College Magazine gives the young and talented writers of the Institution ample opportunities to give a vent to their pent up feelings, may it be creative, subjective or objective, the Magazine

gives our young students enough space to unfold their feelings in all its vividness. The College Magazine plays a very significant role in an educational Institution. It channelizes the writing skills of budding and talented writers and helps them in moulding their writing skills by evaluation, which motivates and inspires them to read and write much more.

To achieve the above stated goal, the Head of the Institution has formed the 'Magazine Committee' to give ample opportunities to the young and talented students of the College. In accordance with that, the College publishes Annual Magazine 'Nirdhar' which gives scope for students to express their feelings through Poems, Quatrain, Thoughts, Lyrics, and Articles on current affairs etc.

During the Academic Session 2021-2022, the Magazine Committee issued Notice to the staff and students of the College on 3rd February, 2021, for inviting their Poems, Quatrain, Thoughts, Lyrics, and Articles on current affairs and Reports of various Institute level Committees. In spite of the COVID-19 Pandemic restrictions and complications, the students of the College had sent their literary creations to the Members of the Committee for publication. The Committee received lukewarm response from majority of the students due to COVID-19 Pandemic restrictions and constrains, some of the students took interest in writing Articles and other literary works owing to the persistent follow up of the in-charge teachers. Though Literary creations of students received were comparatively fewer in number, the Magazine Committee succeeded to publish the College Magazine 'Nirdhar' pretty late. The College Magazine was made available for the students in the College Website. Its Hard Copies were distributed among the
