BRIEF REPORT	The Committee for Promoting the use of Technology in Teaching and Achieving Complete Students' Computer Literacy, under the aegis of IQAC, collaborated with the National Service Scheme Unit of our Institution and organized a comprehensive forty five days' Basic Computer Training Course during the Academic

Session 2022-2023. Prior to the introduction of this Course, the ICT Committee conducted a Survey among the students to gauge their Computer Literacy levels. Based on the Survey data, the modalities of Computer Training Course were thoughtfully designed.

This initiative was aimed to provide free Computer Literacy education to students, with teachers actively supporting them in mastering the fundamentals of Computer Applications. The primary objective of this Programme was to ensure that all the students of our Institution would become Computer-Literate.

The Computer Training Programme was inaugurated on 21st November, 2022 at the hands of Dr. Jobi George, the Principal of the College. Asst. Prof. Dr. Motiraj Chavhan, the NSS Coordinator, who delivered the Introductory Speech, and Asst. Prof. Dr. Mangesh Kadu, the IQAC Coordinator, who emphasized the significance of Computer Literacy in the digital age. Dr. Jobi George, in his Presidential Address, optimistically opined that Computer Literacy initiative would serve as a commendable effort to equip our students with essential digital skills, enabling them to thrive in the post-modern world. The Event witnessed the presence of faculty members including Asst. Prof. Dr. Vijay Dighore, Associate Prof. Dr. Madhukar Nandanwar, Asst. Prof. Dr. Raheel Quraishi, Asst. Prof. Dr. Anita Mahawadiwar, Asst. Prof. Dr. Vinita Virgandham, Asst. Prof. Dr. Rajsree O.P., Asst. Prof. Dr. Yogesh More, and Asst. Prof. Darshana Dhamdar, alongside enthusiastic students. The Inaugural Ceremony was concluded with the formal Vote of Thanks delivered by Asst. Prof. Amit Thakare.

Under the guidance of Asst. Prof. Dr. Ravikant Mishra, Mr. Khushwant Dhamke, and Computer Literate NSS students, the

	<p>Computer classes were conducted. On 12thDecember, 2022, the students received in-depth insights into Hardware and Software from the expert talk of Mr. Vaibhav Vairagade.</p> <p>The success of this Training Programme owes much to the dedicated efforts of Asst. Prof. Dr. Ravikant Mishra from the ICT Committee, who worked tirelessly to ensure its grand success. Out of 153 students enrolled, an impressive 117 students successfully completed the Training Programme and they were awarded Certificates of completion.</p>
<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> • To provide free Computer Literacy education to students. • To achieve complete students' Computer Literacy. • To promote the use of technology in teaching. • To enable the students to thrive in the post-modern digital age. • To collaborate with NSS Unit for a more comprehensive impact. • To provide expert guidance in Hardware and Software. • •To create an encouraging and supportive atmosphere where students can learn and enhance their Computer skills with confidence.
<p>PROBLEMS FACED, IF ANY</p>	<ul style="list-style-type: none"> • Time Constraints: Forty five days Course might not be sufficient to cover all the aspects of Computer Literacy comprehensively, especially for the students with little knowledge. • Training Staff Expertise: Ensuring that the teachers and the NSS students conducting the classes were well-versed in Computer Applications and teaching methodologies was a challenge for the Committee. • Assessment and Evaluation: Effectively assessing the students' progress and learning outcomes during the training

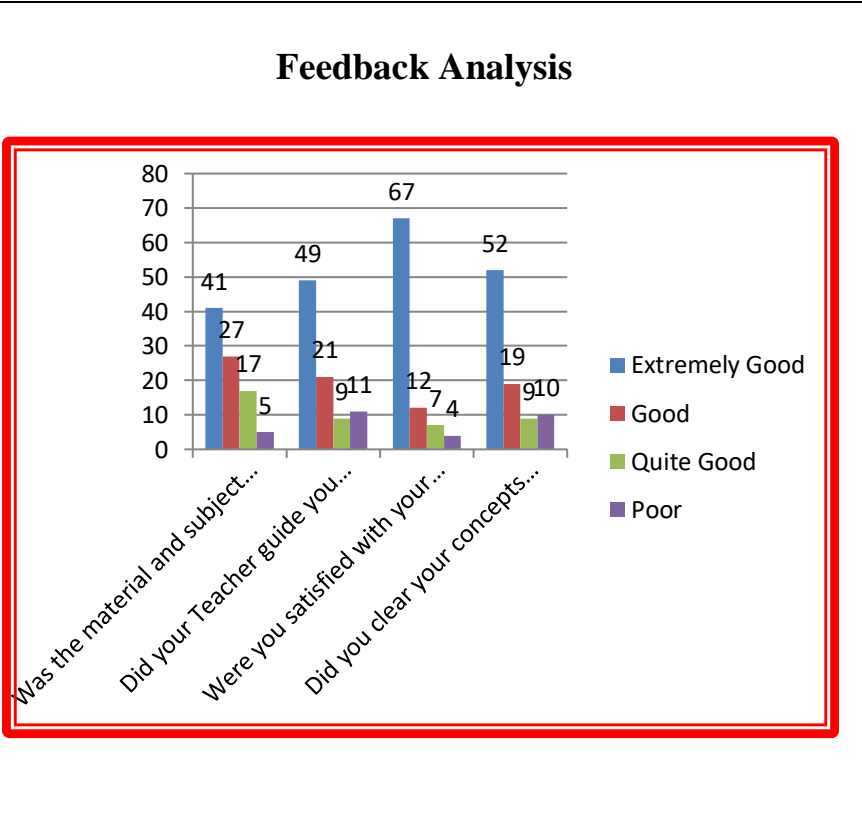

period required careful planning and evaluation methods.

- **Technical Issues:** Technical glitches, Software compatibility problems, or Hardware malfunctions sometimes disrupted the smooth running of the training sessions.

PROGRAMME OUTCOMES

- Provided free Computer Literacy education to students.
- Took initiative to achieve complete students’ Computer Literacy.
- Promoted the use of technology in teaching.
- Enabled the students to thrive in the post-modern digital age.
- Collaborated with NSS Unit for a more comprehensive impact.
- Provided expert guidance in Hardware and Software.
- Created an encouraging and supportive atmosphere where students can learn and enhance their Computer skills with confidence.
