Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socio-economic and other diversities.

Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socio-economic and other diversities.

An inclusive environment refers to a climate where all students feel reinforced intellectually and academically. It inculcates in students a sense of belonging to the Institution despite the preferences, identity and education. Because language continuously evolves, the information that is provided should also be a work in progress. There are a number of words and terminology used in conversations across diverse communities. Gender Equity inclusive of the Third gender is also given its due. Ethnic, gender, class, caste and religious differences can often divide people and understanding these differences is the first step towards creating a meaningful exchange among people of all backgrounds.

Diversity- A College Campus is like opening a door to a world of different cultures, perspectives, and ideas. Learning with people from a variety of backgrounds encourages collaboration and fosters innovation and creativity. Providing an academic environment rich with diversity is an important part of the Campus experience.

Gender Equality- Keeping in tune with the changing scenario of workplaces, the Institution sensitizes its staff and students alike in terms of Gender Equality through its Gender Sensitization Policy. Boys and Girls are

provided with equal opportunities in the field of Sports and Academics.

Inclusivity: The Institution is ever ready to cater to students from diverse backgrounds as envisioned in its vision and mission policy. With ramps and washrooms, the Institution keeps itself equipped to cater to students who are differently abled at any-time. The Institution keeps itself abreast of the decisions and judgements given by the Supreme Court to cater to Transgenders as well.

Our policy towards Inclusivity, Harmonious, Cultural, Regional, Linguistic, Communal Socio-economic and other diversities

- It deems to be ethical to create a positive impact on the society we dwell in and support all the Stakeholders to work for the benefit of the society.
- Our students come from diverse backgrounds in terms of socio-economic, cultures, religions, and caste. We are proud to cater to all students to mould them into better citizens and more over a better human being.
- The diversity they carry with them makes them feel proud, valued and equal to participate and grow with their peers.
- They should feel that they are valued, equal, and able to participate and contribute to the social, cultural, and academic life. These embodiments of values in its totality bring out the best in every individual.

- Bhiwapur Mahavidyalaya has been vocal about its strides in the educational sector as we envision and cater to the rural mass which is a major contributor to the Nations growth and Development. We plan and execute courses offering employability through our well-planned policies and mechanisms.
- We, as a very small group of academicians with our experience and expertise, offer timely and need-based support to the empowerment and growth of our students.

BRIEF REPORT	<p>The Eco Club Committee of our College, under the aegis of its IQAC Chapter, orchestrated a remarkable eco-friendly Holi celebration on 8th March, 2023, within the College premises. Meticulous preparations were made by the committee members to create an environmentally conscious Holi event, gathering a plethora of innovative ideas to ensure its success. A comprehensive plan was meticulously crafted, detailing a range of activities, decorations and essential materials. The enthusiastic involvement of Eco Club volunteers and other interested students was evident as they collaborated ardently to organize and execute the event seamlessly.</p> <p>The Event commenced with enlightening presentations by Asst. Prof. Darshana Dhamdar, Member Secretary of the Eco Club Committee. Asst. Prof. Darshana Dhamdar eloquently elucidated the detrimental consequences associated with the usage of synthetic colours and non-biodegradable substances during conventional Holi celebrations. A Station was thoughtfully arranged, empowering the participants to craft their own natural colours employing organic elements like</p>

	<p>beetroot and <i>Beutia monosperma</i> flowers. Associate Prof. Dr. S.K. Shinde eloquently elucidated the paramount importance of embracing an eco-friendly Holi, a necessity that resonates strongly in the present times. Volunteers of Eco-Club were guided through the colour-making process, with a strong emphasis on the environmental advantages of these alternatives. Confronting the issue of water wastage commonly associated with Holi revelries, the committee launched an awareness campaign promoting judicious usage of water. The participants were enlightened about the significance of conserving water, particularly during the festive season of Holi, fostering a sense of responsible celebration. More than 200 students, along with teaching and non-teaching staff of the College, actively participated in the Event.</p> <p>The eco-friendly Holi celebration stood as a testament to the collective commitment of the Eco Club Committee, volunteers, and participants to both environmental consciousness and festive merriment.</p>

(Under Section 89 of the Act)

- S.593.** 1. When the system of affiliating Colleges to State Universities was designed, the number of Colleges and the Universities were very small and Universities could supervise the working of the affiliated Colleges very easily. The Universities were acting as examining body and awarding the degrees on behalf of the Colleges. The Colleges looked towards the Universities for any change in the education system and curricula. The academic decision also need quicker pace for making the innovations and designing curricula methods more relevant to the areas in which an institution works.

Due to the phenomenal growth of higher education it has become difficult to keep pace with the requirement of the society. The present affiliating system does not allow the required freedom to the College to meet the demands cast upon them. The existence of large number of affiliated Colleges in the universities, has become a drag on the process of modernisation and improvement of standards. Because of the compulsion to prescribe an identical curricula, teaching system and examination system for all affiliated Colleges and the compulsion to set standards which are attainable by even the weak Colleges, the prescription of the universities tends to keep standards low. The Colleges which have the potential to implement an academic programme to higher standards do not have the freedom to conduct such courses or teaching system or examining system. The decision for bringing about innovation and their implementation can be taken quickly in the smaller body.
