Shinde eloquently elucidated the paramount importance of embracing an eco-friendly Holi, a necessity that resonates strongly in the present times. Volunteers of Eco-Club were guided through the colour-making process, with a strong emphasis on the environmental advantages of these alternatives. Confronting the issue of water wastage commonly associated with Holi revelries, the committee launched an awareness campaign promoting judicious usage of water. More than 200 students, along with teaching and non-teaching staff of the College, actively participated in the Event.</p> <p>The eco-friendly Holi celebration stood as a testament to the collective commitment of the Eco Club Committee, volunteers, and participants to both environmental consciousness and festive merriment.</p>
