Annual Gender Sensitization Action Plan

Annual Gender Sensitization Action Plan

India has recently been ranked 112th among 153 countries in the Annual Global Gender Gap Index for 2020. Keeping the given ranking in mind, our Institution focuses on empowerment of girl students. The ratio of girls outweighs the strength of boys seeking admission in this Institution. This becomes the strength of our Institution. However, being located in a rural set-up, the task of minimizing drop-out rate becomes a herculean task. The Institution through its perspective plan accommodates activities and policies for girl students and runs Committee for the Prevention of Sexual Harassment of Women in Working Place, which is now renamed as Internal Complaint Committee.

The Internal Complaint Committee organizes Guest Lectures through NCC, NSS and ICC, which include psychological counselling, health check-up camps, pre- marriage counselling by inviting prominent experts from various fields of study. The Member Secretary of the Internal Complaint Committee is entrusted with the responsibility to facilitate an environment of safety and trust among the girl students and boys as well.

The sole objective of the Internal Complaint Committee is to bring awareness on gender sensitization and optimistic outlook and value towards the rights of girls.

Available provisions in the premises and its maintenance:

- CCTV cameras are placed at prominent locations in the College.
- 24X7 security guards are deployed in the Campus for the safety and security of the girl students and Woman faculties.
- Separate girls' parking facility has been provided by College to avoid any untoward incident.

- College has a separate Girls' Common Room facility with all amenities, which include Sanitary Napkin Vending Machine.
- College has Women's Hostel Building facility for the accommodation of rural girl students for promoting their education.
- Power Back-up facility is made available in the Women's Hostel Building.
- Academic and personal problems of students are resolved by mentor-mentee scheme.
- The facility of Day Care center is available in the Campus.

The Institution plans to conduct the below given activities through NSS, NCC and ICC to bring about awareness on Gender Sensitization on various Digital Platforms.

Dear Quraishi Sir ,

With the immense pleasure, I would like to thank you on the behalf of the Naandi Foundation for all your efforts to make this training on "Digital Equaliser For Girls",_not only possible but also successful.

DEFG training carried out in **Bhiwapur Mahavidyalay** in-between 21/03/2023 to 25/03/2023 and I got an opportunity to train first year girls students there .

Quraishi sir was always there to cooperate on every single front . He took care of all the hospitality and make sure all my requirements met as required.

With this mail I appreciate the enthusiasm of Dr. Jobi George sir and Quraishi sir and the entire staff of the college for their strong will towards student's holistic development which reflects in the students behaviour. Your efforts are not only limited to your college but also you extended this to others colleges in your area that what makes your college (Bhiwapur Mahavidyalaya) and authorities stand different. What amazed me is that ,those 17 girls from Nutan Adarsh Mahavidyalay had been travelled from Umred just to attend this project and they mingled here very well, this shows how you take care of the students . Students were all energetic as you and I enjoyed being with them in those 4 days .

Thanking you for this wonderful experience.

Looking forward for more trainings in coming years.

Warm Regards,

Meghna Dubey
