**ABOUT MCED**

Maharashtra Center for Entrepreneurship Development (MCED), hereafter termed as MCED, has its head office at Aurangabad. It is a body promoted by the Government of Maharashtra and jointly by SICOM, MSFC, MSSIDC, MIDC, and MELTRON & MITCON and is registered under Societies Registration Act 1860 and Bombay Public Trust Act, 1950, is a Nodal Agency promoted by Government of Maharashtra as a joint venture of its state level industrial development corporation to conduct training activities related to Entrepreneurship Development. MCED conducts a variety of Training Programmes aimed at promoting entrepreneurship across the state, catering to the training related needs of the society. To mention a few, programs like Entrepreneurship Development Programme, Skill Development Programme, Skill Improvement Programme, Faculty Development Programme etc., constitute its core activities, which are popular and have been very useful to the people. To promote entrepreneurship on mass level, MCED conducts Awareness Programmes for students in educational institutions. It also publishes a monthly magazine "Udyojak" that is having the readership of about 25000 in the state. In an initiative to make quality IT education available to common man, MCED has created a network of around 500 centers in Maharashtra. At selected centers, the MSCIT course is also made available to cater to specific needs. Moreover, a dedicated team of persons covering cross section of entire disciplines drawn from state as well as national level are associated with MCED to help facilitate the cause of Entrepreneurship Development

### About Us:

When there were no elite educational institutions catering professional and conventional schoolings to the rural youths especially to the children of disadvantaged sections of the society in Vidarbha, it was Heavenly Bhausaheb Govindrao Mulak who pioneered the beginning of a new era in Higher Education in Maharashtra by establishing a charitable Trust namely Backward Class Youth Relief Committee (B.C.Y.R.C.) in 1974. The Trust began its stride by establishing K.D.K. College of Engineering at Nandanwan in Nagpur in 1981.

Now BCYRC has developed into a full-grown tree with seventeen educational institutions scattered all over Vidarbha imparting Higher Education in all the branches of learning. Bhiwapur Taluka is a typical rural place with 137 small villages and it falls close to the Tribal dominated, and Naxal affected villages of Armori, Korchi, Kurkheda and Wadsa in Gadchiroli District, Maharashtra. The city falls 72 K.M. away from Nagpur. Bhiwapur Mahavidyalaya, which is affiliated to Rashttrasant Tukadoji Maharaj Nagpur University, Nagpur was established in 1990 with Arts Faculty. It was established with the noble vision of imparting higher education to the rural youths for enabling them to learn locally and flourish globally in spite of the evils of poverty and inconvenience.

Subsequently, we started Commerce Faculty in 2002 and B.Sc. in 2012. Post Graduate courses in Economics, Political Science and Sociology were started in 2004. Over the years, the institution has earned the recognition of one of the premier co-educational institutions in Nagpur region imparting quality education in the Faculties of Arts, Commerce and Science with the strong support of highly competent and skilled teaching and non-teaching staff.

Bhiwapur Mahavidyalaya stands out as one of the lead colleges in the rural sector for its pioneering work in initializing the concept of Cluster Colleges to foster quality education. The institution has to its credit of being a pioneer in executing MoUs with stakeholders of Higher education for Quality Evaluation, Promotion and Sustenance. MoUs signed with some of the colleges are mentioned below:

1. Dhanwate National College, Congress Nagar Nagpur
2. Nutan Adarsh Mahavidyalaya, Umred

3. Arts and Commerce College, Bhisni, Tah- Nagbhid , Dist Nagpur
4. Govindrao Warjurkar College, Nagbhid, Dist Chandrapur
5. Arun Motghare Arts and Commerce College, Konda(Kosra) , Tah- Pauni , Dist – Bhandara
6. Shivaji Science College, Pauni.

The ICT enabled classrooms, independent Departments; E.T.N.L software supported English Language Lab, state-of-the-art Computer Lab, fully automated Central Administrative Office and Central Library with spacious reading room and UGC Network Resource Centre support the institution in transforming its envisioned objectives into a reality. Other infrastructural facilities like multi-purpose Auditorium, Conference Hall, Common rooms for girls and boys, canteen, Gymnasium, Indoor Stadium, playgrounds and Women's Hostel Building enable the institution in rendering requisite facilities for the students to grow.

<p><b>BRIEF REPORT</b></p>	<p>Under the aegis of <b>‘One Student One Skill Programme’ (OSOSP)</b>, ‘Oyster Mushroom Cultivation Training Programme’ was inaugurated at the hands of Dr. Jobi</p>

George, the Principal of Bhiwapur Mahavidyalaya on 19<sup>th</sup> October, 2019. At the outset, Asst. Prof. Dr. Anita Mahawadiwar, OSOSP Coordinator, Asst. Prof. Dr. M.R. Chavhan and Asst. Prof. Dr. M. V. Kadu were prominently present in the Programme. The Principal of Bhiwapur Mahavidyalaya addressed the students and encouraged them to undergo at least three Skills Oriented Courses while doing their Degree Programmes from this Institution. He also motivated the students to become self-reliant for facing the future challenges in life.

Later on, 'Oyster Mushroom Cultivation Training Programme' was organized at Bhiwapur Mahavidyalaya, Bhiwapur from 10<sup>th</sup> February, 2020 to 12<sup>th</sup> March, 2020.

In accordance with that, the theory and practical classes were conducted by the trainer Miss Pramila Manapure through which trainees became aware of Oyster Mushroom Cultivation Training Programme. In her theory lecture, she exemplified the trainees that Mushroom has a high protein content, which helps for lowering cholesterol and improves the digestive system. It gives vitamin 'D' which is essential for the absorption of calcium. It also helps the body to absorb Oxygen and creates red blood cells. Selenium-an antioxidant that helps neutralize free radicals, thus preventing cell damages and reducing the risk of cancer and other diseases. Mushroom contains more selenium than any other form. Potassium- an extremely important mineral that

regulates blood pressure and keeps cells functioning properly. It also helps to give minerals as phosphorous, zinc and magnesium. Alongside, she also explained the process of cultivation of Oyster Mushroom through practical demonstration. The following tools were used for the practical demonstration;

- Paddy straws
- Polythene bag
- Spirit /Dettol
- Polythene sheet
- Seed of Mushroom

In all thirty one students of the College participated in the 'Oyster Mushroom Cultivation Training Programme'. The Principal of the College congratulated all the beneficiaries of our Institution for participating in this Skill Training Programme. After the harvesting process of Oyster Mushroom, small packets were prepared and sold to the staff of the Institution for Rs. 100 (per packet). Sub- Regarding the signing of MoU of CoTI with MCED, MoU of Thirteen Colleges with MCED & Entrepreneurship Awareness Lecture		
Dear Sir This is with immense pleasure that I write to you regarding the signing of MoU of Cluster of Thirteen Institutions (CoTI) with MCED on 10 March 2022 planned as per the protocol. Apart from the above mentioned, we are also to sign MoUs with colleges independently. This venture of having a functional MoU with MCED would surely be a milestone in the history of our Cluster of Institutions as we look forward with National Educational Policy's implementation of skill sets for Higher Educational Institutions in the days to come. We look forward to renew our ties with more zest towards the welfare of the students and the stakeholders by signing the MoU and see that it remains functional ever.		
Thanking you and awaiting to meet you on the occasion of signing of MoU.

Nagpur, and Saibaba Arts and Science College, Parseoni. The Workshop took place on the Zoom Platform and spanned from 10:30 A.M to 2:00 P.M.</p> <p>Dr. Jobi George, the Principal of the College, had the honour of inaugurating the Workshop. Dr. S.B. Rewatkar, Former Dean, Faculty of Science and Technology, Gondwana University, Gadchiroli, graced the Event as the Chief Guest of the Inaugural Session. Dr. Sadhana Shiledar, Director,</p>

Vasantrao Naik Government Institute of Arts and Social Sciences, Nagpur (VNGIASS), presided over the Inaugural Session as the Chairperson.

The Introductory Remarks were eloquently delivered by Associate Prof. Dr. Kapil Singhel, who also serves as the IQAC Coordinator at VNGIASS. The Proceedings of the Inaugural Session were skilfully conducted by Asst. Prof. Dr. Govind Rathod.

The Workshop comprised three distinct Technical Sessions, making it a comprehensive and insightful event for all the participants.

**Technical Session-I:** The First Technical Session commenced promptly at 11:00 A.M. Dr. M. M. Betkar, Principal of Shri Kumarswami Mahavidyalaya Ausa, Latur, was the distinguished Resource Person for the First Technical Session. During his presentation, Dr. M.M. Betkar emphasized the paramount importance of Intellectual Property Rights (IPR), including aspects such as Patents, Copyrights, Trademarks, and more.

He eloquently elucidated the background of Intellectual Property Rights, distinguishing between tangible and intangible properties. Dr. M.M. Betkar delved into various facets of IPR, including the utilization of published Patent Specifications, transferring invention as Public Property after expiry of term or cessation and the provision of exclusive rights as a reward. Furthermore, he explored topics such as trademarks, brand marks, Geographical indications, and

Intellectual Property as products of the human mind.

Asst. Prof. Dr. Yogesh Sarode, Jeevan Vikas Mahavidyalaya, Devgram, conducted the Proceedings of the First Technical Session. Formal Vote of Thanks of the First Technical Session was proposed by Asst. Prof. Dr. Mangesh Acharya, Jeevan Vikas Mahavidyalaya, Devgram.

**Technical Session-II:** The Second Technical Session commenced at 12:00 P.M. Dr. Sanjeev Patankar, the Resource Person of the Second Technical Session, delivered an insightful discourse on 'Entrepreneurship Development'. This engaging Session was expertly hosted by Asst. Prof. Vinod Purkam, Saibaba Arts and Science College, Parseoni. Formal Vote of Thanks was proposed by Asst. Prof. Dr. Prashant Ingle, Saibaba Arts and Science College, Parseoni.

The Valedictory Session was presided over by Dr. Devendra Bhongade, Principal, Jeevan Vikas Mahavidyalaya, Devgram. The Proceedings of this Session were skilfully conducted by Asst. Prof. Dr. Ravikant Mishra, and the formal Vote of Thanks was eloquently presented by Asst. Prof. Dr. Ashwini Kadu, Head, Department of Chemistry, Bhiwapur Mahavidyalaya, Bhiwapur.

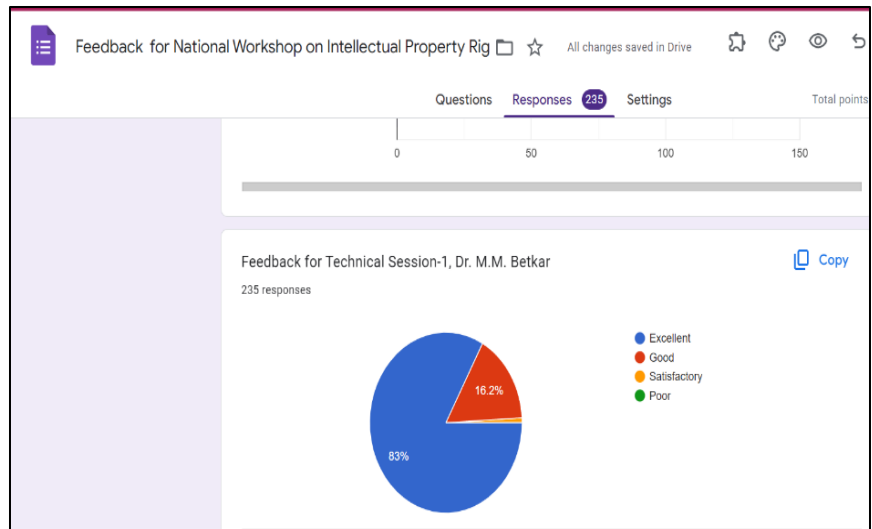

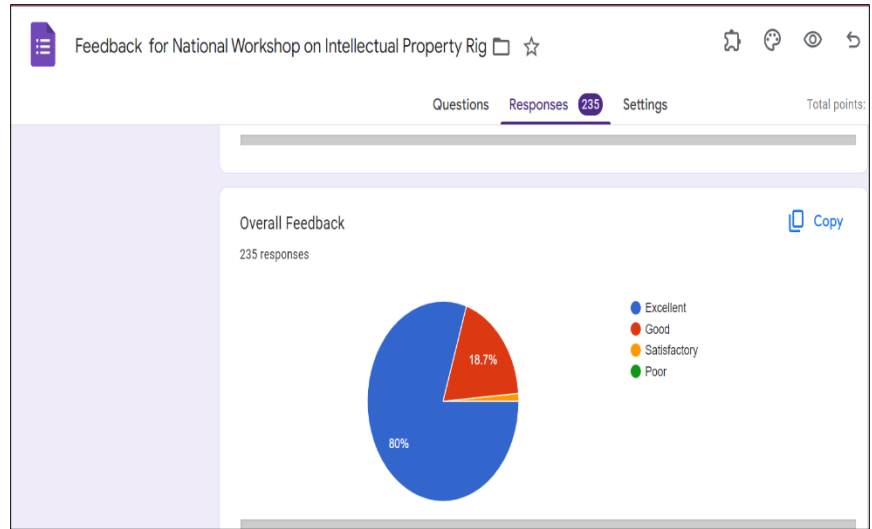

Notably, the Workshop garnered significant participations, with a total of 235 registered participants representing various Universities and Colleges. Out of this cohort, 93 enthusiastic participants from diverse Colleges actively attended the Workshop. Under the able guidance of Dr. Jobi George, the Principal of our College, the Workshop provided valuable

	<p>insights and benefits to all the Convenors, IQAC coordinators, Organizing Secretaries, teaching staff members and Research Scholars from the participating Institutions.</p>
<p><b>PROGRAMME OBJECTIVES</b></p>	<ul style="list-style-type: none"> <li>• To promote Academic as well as Industrial Research perspectives.</li> <li>• To create awareness on Intellectual Property Rights and Patents among all the Participants.</li> <li>• To educate the participants about various procedures involved in the Patent filing process.</li> <li>• To promote Research aptitude among the participants.</li> <li>• To encourage the participants to file applications for Patents in respect of their Research Work.</li> <li>• To inculcate Research Culture among the participants.</li> <li>• To ensure the holistic development of our participants.</li> <li>• To identify potential areas of quality Research which are beneficial for the society.</li> </ul>
<p><b>PROBLEMS FACED, IF ANY</b></p>	<ul style="list-style-type: none"> <li>• <b>Technical Issues:</b> As the Workshop was conducted online using the Zoom Platform, technical glitches such as internet connectivity problems, audio/video issues, or software-related problems have disrupted the smooth flow of the Technical Sessions.</li> <li>• <b>Participants' Engagement:</b> Despite having a substantial number of registered participants, ensuring active engagement from all attendees in an online setting was challenging. Keeping the participants actively involved and attentive throughout the Workshop was a matter of concern for the Organizers.</li> </ul>

	<p>Despite these potential challenges, the successful execution of the Workshop suggested that the organizers have put significant efforts into addressing and mitigating these issues to ensure a productive and valuable event for all the participants.</p>
<b>PROGRAMME OUTCOMES</b>	<ul style="list-style-type: none"><li>• Promoted Academic as well as Industrial Research perspectives.</li><li>• Created awareness on Intellectual Property Rights and Patents among all the participants.</li><li>• Educated the participants about various procedures involved in the Patent filing process.</li><li>• Promoted Research aptitude among the participants.</li><li>• Encouraged the participants to file applications for Patents in respect of their Research Work.</li><li>• Inculcated Research Culture among the participants.</li><li>• Ensured the holistic development of all the participants.</li><li>• Identified potential areas of quality Research which are beneficial for the society.</li></ul>
