ACTIVITY REPORT

ACADEMIC SESSION	2022-2023
ORGANIZER	Bhiwapur Mahavidyalaya
NAME OF THE ACTIVITY	Celebration of National Science Day
AREAS COVERED	<ul style="list-style-type: none">• Science Exhibition and Poster Presentation.• Intercollegiate Science Exhibition.• Talk by Eminent Scientist.
PROGRAMME SCHEDULE	28 th February, 2023
VENUE	Bhauasaheb Mulak Memorial Indoor Sports Complex
MODE OF ACTIVITY	Offline
ORGANIZING COMMITTEE	Faculty of Science
PROGRAMME COORDINATOR	Asst. Prof. Dr. Yogesh More, Head, Department of Physics
COMMITTEE MEMBERS	<p>Organizing Secretary: Asst. Prof. Dr. Ashwini Kadu Head, Department of Chemistry</p> <p>Members:</p> <ul style="list-style-type: none">• Asst. Prof. Amit Thakare, Head, Department of Zoology• Asst. Prof. Dr. Ravikant Mishra, Head, Department of Mathematics.• Asst. Prof. Darshana Dhamdar, Head, Department of Botany

KEYNOTE SPEAKER/RESOURCE PERSON (Furnish a Brief Report on the Keynote Speaker's Expertise)	Dr. S.B. Nandeshwar Ex-Principal Scientist of CCRA-CCRI, Nagpur.
TARGET GROUP	Entire Students of Science Wing
NUMBER OF STUDENTS PARTICIPATED/BENEFICI ARIES	More than 200 students
BRIEF REPORT	<p>On the auspicious occasion of National Science Day, the Faculty of Science, under the aegis of IQAC, joyously celebrated Science Week from 22nd to 28th February, 2023. The week-long celebrations were filled with a multitude of enriching activities, including Essay Writing Competition, Elocution, Quiz, Power Point Presentations, Science Exhibition, and Poster Presentation, engaging students from both Junior and Senior Colleges. The highlight of the festivities was the “Scientia: Intercollegiate Science Exhibition and Poster Presentation”, along with an insightful talk by an Eminent Scientist, held on 28th February, 2023. Students from esteemed Institutions like Kamala Nehru College, Nagpur, Wainganga Junior College, Pauni, Ashok Junior College, Umred, Pushpak Junior College, Umred, Shivaji Science College, Pauni, Nutan Adarsh Junior College, Umred, Avdhoot Mahila Mahavidyalaya, Kuhi, and KDK College of Engineering, Nagpur, actively participated in the Event with great enthusiasm.</p> <p>The Science Day celebrations commenced with the Inaugural Ceremony on 22nd February, 2023 by lighting the Traditional</p>

Lamp and also by paying tributes to the eminent Scientist Sir C.V. Raman. Over 100 students from different Colleges, members of teaching staff and non-teaching staff of our College attended the Event. Associate Prof. Dr. Sunil Shinde presided over the Session and delivered a brief introduction about the significance of celebrating National Science Day. Asst. Prof. Dr. Vinita Virgandham, the IQAC coordinator, graced the occasion as the Chief Guest of the Inaugural Function. Asst. Prof. Dr. Yogesh More, Head, Department of Physics and the Co-Ordinator of the National Science Day celebrations, announced the schedule of all the events of the Science Week, emphasizing the unwavering support and encouragement of the College for the grand success of the National Science Day celebrations.

On 28th February, 2023, the grand Science Exhibition and Poster Presentation took place, featuring the impressive display of over 100 Projects and Posters prepared by the students of Junior and Senior Colleges from across the University. Participating students from various Colleges, including Kamala Nehru College, Nagpur, Wainganga Junior College, Ashok Junior College, Pushpak Junior College, Shivaji Science College, Pauni, Avadhoot Science College, Kuhi-Mandal, and others, showcased their remarkable works. Additionally, students from various Science Departments of our College exhibited working Models, Projects, and Posters during the Event. Asst. Prof. S.N. Pawar from the Department of Chemistry, Science College, Pauni, and Mr. Sahil Kudegave from the Department of Physics, Sanskar Junior

College, Umred, served as esteemed judges of the Science Exhibition. The Exhibition was well-attended by Science teachers, students, media, and others, who appreciated the outstanding exhibits on display.

In the afternoon of 28th February, 2023, the Science Week celebrations culminated with a grand Function. Dr. Jobi George, the Principal of our College, presided over the Programme and Dr. S.B. Nandeshwar, a renowned Ex-Principal Scientist of CCRA-CCRI, Nagpur, graced the Event as the Special Guest. Asst. Prof. S.N. Pawar from the Department of Chemistry, Science College, Pauni, and Mr. Sahil Kudegave from the Department of Physics, Sanskar Junior College, Umred, were honoured as Chief Guests. The Ceremony commenced with the lighting of the Traditional Lamp and paying homage to Sir C.V. Raman and Heavenly Shri Bhausahab Mulak, followed by a captivating Welcome Dance and Welcome Song dedicated to the esteemed guests. During the Event, our distinguished Chief Guest Dr. S.B. Nandeshwar and President of the Programme Dr. Jobi George were honoured as a gesture of appreciation and love with beautiful bouquets and shawls respectively.

As a Chief Guest, Dr. S.B. Nandeshwar, delivered an insightful address to the students. He emphasized the significance of the Ayurveda system in our daily lives and underscored the pivotal role of Scientists in enhancing the well-being of people.

Dr. Jobi George, the Principal of the College, graced the

occasion with his words of wisdom on Science Day. He expounded upon the relevance of both Ancient and Modern Science in the context of India, highlighting their importance in shaping our society.

During the Event, an Introductory Speech was delivered by Asst. Prof. Dr. Yogesh More, and the guests were introduced by Asst. Prof. Darshana Dhamdar. The Proceeding of the Programme was skilfully conducted by Asst. Prof. Dr. Ashwini Kadu, whereas, Asst. Prof. Dr. Ravikant Mishra proposed the formal Vote of Thanks. Dr. S.B. Nandeshwar, the Chief Guest and eminent Scientist, who has received numerous prestigious National and International awards for his ground-breaking Research, addressed the gathering with an inspiring speech, encouraging the students towards Scientific Research.

Mementos, prizes, and certificates were distributed to the winners and all the participants by the Chief Guest, adding a sense of pride and recognition to the efforts of the young minds who actively participated in the Science Week celebrations. The successful and enriching Science Week was a result of the dedicated efforts of the Organizing Committee, along with the wholehearted support of the staff and students of our College. The theme of “Global Science for Global Well-being” resonated with the ideals of Sir C.V. Raman, inspiring all to foster scientific temper in the society and encourage students to pursue Science as a promising and impactful path for the future.

<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> • To celebrate National Science Day and honour the renowned Scientist Sir C.V. Raman by organizing a series of engaging activities and events. • To promote a scientific temper among students by encouraging their active participation in various Science-related competitions and exhibitions. • To foster interest in Science among students and highlight its significance in global well-being. • To encourage the students from different Colleges to participate, exchange ideas, and showcase their scientific knowledge and innovations. • To enhance students' knowledge and awareness of the latest scientific equipment and Research advancements in various Departments.
<p>PROBLEMS FACED, IF ANY</p>	<ul style="list-style-type: none"> • Publicity and Outreach Initiatives: Promoting the event effectively to attract students from other Colleges and the local community was a challenge. Effective publicity and outreach initiatives by the Committee ensured a successful and well-attended Event. • Resource Management: Procurement of adequate resources, including funds, materials, and equipment for conducting various competitions and exhibitions, was a challenge for the Committee. • Participation and Engagement: Encouraging active

	<p>participation and engagement from all the students in the College was a challenge, especially for some of the less popular competitions.</p> <p>Despite the myriad challenges faced, the Committee adeptly and seamlessly executed the Programme with meticulous planning and unwavering support from the teaching and non-teaching staff, as well as the students.</p>
<p>PROGRAMME OUTCOMES</p>	<ul style="list-style-type: none"> • Celebrated National Science Day and honoured the renowned Scientist Sir C.V. Raman by organizing a series of engaging activities and events. • Promoted scientific temper among students by encouraging their active participation in various science-related competitions and exhibitions. • Fostered interest among students in science and highlighted its significance for global well-being. • Encouraged the students from different Colleges to participate, exchange ideas, and showcase their scientific knowledge and innovations. • Enhanced students' knowledge and awareness of the latest scientific equipment and Research advancements in various Departments.

FEEDBACK ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/BENEFICIARIES/ACADEMIC PEERS

Feedback was collected from the participants, and majority of them expressed their views about the benefits of this Programme in their personal lives and career.
