BRIEF REPORT	The Eco-Club of our Institution, under the aegis of its IQAC
	Chapter, organized a 'Sapling Plantation Drive' in the College
	premises on 23 <sup>rd</sup> December, 2022, under the initiative of Asst.
	Prof. Darshana Dhamdar, the Member Secretary of Eco-Club.
	The Event witnessed active participation from our students,
	who wholeheartedly took part in the Sapling Plantation Drive.
	During the programme, 25 saplings were carefully planted in
	pots by the students, ensuring their proper nurturing and
	growth. The Sapling Plantation Drive received immense
	support and attendance from the teaching and non-teaching
	staff of the Institution.
	Dr. Jobi George, the Principal of the College, delivered an
	inspiring address to the students, emphasizing on the
	significance of sapling plantation in sustaining our
	environment. His words shed light on the importance of trees
	in maintaining ecological balance, preserving biodiversity,
	and mitigating the impact of climate change.
	This Sapling Plantation Drive was not only aimed to beautify
	the College Campus but also served as a collective effort to
	contribute to a greener and healthier environment. It instilled a
	sense of responsibility among our students towards nature and
	the urgency to take action for its preservation.
PROGRAMME	• To promote environmental systematicity and successes
OBJECTIVES	• To promote environmental sustainability and awareness
	among our students and staff members.
	• To encourage active participation and engagement of

	students in environmental initiatives.
	• To enhance the beauty and greenery of the College Campus
	through sapling plantation.
	• To educate the participants about the importance of trees in
	maintaining ecological balance and preserving biodiversity.
	• To nurture a sense of responsibility and ownership among
	students towards the environment.
	• To foster a culture of sustainability and environmental
	stewardship within the College community.
PROBLEMS FACED, IF	Lack of participation from students: The Committee came
ANY	across with certain problems because of a number of reasons,
	such as lack of interest, lack of awareness about the
	importance of tree plantation, or prior commitments.
PROGRAMME	• Promoted environmental sustainability and awareness
OUTCOMES	among our students and staff members.
	• Encouraged active participation and engagement of
	students in environmental initiatives.
	• Enhanced the beauty and greenery of the College Campus
	through sapling plantation.
	• Educated the participants about the importance of trees in
	maintaining ecological balance and preserving biodiversity.
	• Nurtured a sense of responsibility and ownership among
	our students towards the environment.
	• Fostered a culture of sustainability and environmental
	stewardship within the College community.
