This enlightening programme took place on 3<sup>rd</sup> January, 2023 with the distinguished presence of Prime Minister Shri Narendra Modi, who addressed the “108<sup>th</sup> Indian Science Congress” (ICS) via Video Conferencing at 10:30 AM.</p> <p>The focal theme of this year’s ICS was “Science and Technology for Sustainable Development with Women Empowerment”. It provided an inspiring platform to explore the vital roles of Science and Technology in fostering sustainable development while emphasizing the empowerment of women.</p> <p>During their visit, our College students also had the opportunity to observe the Farmers’ Science Congress, which showcased innovative ways to improve the bio-economy and attract youth to the field of agriculture. Additionally, the Tribal Science Congress was held, focusing on the scientific display of indigenous ancient knowledge systems and practices, with a special emphasis on empowering tribal women.</p> <p>The event featured several other programmes alongside ISC, including the Children’s Science Congress, aimed at igniting</p>
