<b>TARGET GROUP</b>	<b>All Students, Teaching and Non-Teaching Staff of the College</b>
<b>NUMBER OF STUDENTS / BENEFICIARIES</b>	<b>More than 200</b>
<b>BRIEF REPORT</b>	<p>The Eco Club Committee of our College, under the aegis of its IQAC Chapter, orchestrated a remarkable eco-friendly Holi celebration on 8<sup>th</sup> March, 2023, within the College premises. Meticulous preparations were made by the committee members to create an environmentally conscious Holi event, gathering a plethora of innovative ideas to ensure its success. A comprehensive plan was meticulously crafted, detailing a range of activities, decorations and essential materials. The enthusiastic involvement of Eco Club volunteers and other interested students was evident as they collaborated ardently to organize and execute the event seamlessly.</p> <p>The Event commenced with enlightening presentations by Asst. Prof. Darshana Dhamdar, Member Secretary of the Eco Club Committee. Asst. Prof. Darshana Dhamdar eloquently elucidated the detrimental consequences associated with the usage of synthetic colours and non-biodegradable substances during conventional Holi celebrations. A Station was thoughtfully arranged, empowering the participants to craft their own natural colours employing organic elements like</p>

	<p>beetroot and <i>Beutia monosperma</i> flowers. Associate Prof. Dr. S.K. Shinde eloquently elucidated the paramount importance of embracing an eco-friendly Holi, a necessity that resonates strongly in the present times. Volunteers of Eco-Club were guided through the colour-making process, with a strong emphasis on the environmental advantages of these alternatives. Confronting the issue of water wastage commonly associated with Holi revelries, the committee launched an awareness campaign promoting judicious usage of water. The participants were enlightened about the significance of conserving water, particularly during the festive season of Holi, fostering a sense of responsible celebration. More than 200 students, along with teaching and non-teaching staff of the College, actively participated in the Event.</p> <p>The eco-friendly Holi celebration stood as a testament to the collective commitment of the Eco Club Committee, volunteers, and participants to both environmental consciousness and festive merriment.</p>
<p><b>PROGRAMME OBJECTIVES</b></p>	<ul style="list-style-type: none"> <li>• To create awareness among the students about the negative impacts of synthetic colours and non-biodegradable materials on the environment.</li> <li>• To educate the participants about the significance of eco-friendly celebrations and encourage them to adopt sustainable practices during festivals.</li> <li>• To showcase viable alternatives, such as making natural colours from organic sources like beetroot and flowers, as well as promoting judicious water usage during Holi.</li> <li>• To provide a platform for students, volunteers, and the</li> </ul>

	<p>participants to actively engage in collaborative efforts to support eco-friendly initiatives.</p> <ul style="list-style-type: none"> <li>• To empower Eco Club volunteers and committee members with leadership skills as they take charge of planning, organizing, and executing the event.</li> </ul>
<p><b>PROBLEMS FACED, IF ANY</b></p>	<p><b>Sourcing Organic Materials:</b> Procuring organic materials like beetroot and specific flowers in sufficient quantities for making natural colours was challenging, especially when they were not readily available locally.</p> <p><b>Logistics and Setup:</b> Setting up stations for colour-making and organizing water conservation activities required proper planning, materials, and volunteers. Managing these logistics effectively was challenging for the Committee.</p> <p>Despite these challenges, the successful execution of the eco-friendly Holi celebration demonstrated the dedication and creativity of the Eco Club Committee and its members, in overcoming these obstacles and promoting a more environmentally conscious approach in celebrating festivals.</p>
<p><b>PROGRAMME OUTCOMES</b></p>	<ul style="list-style-type: none"> <li>• Created awareness among our students about the negative impacts of synthetic colours and non-biodegradable materials on the environment.</li> <li>• Educated the participants about the significance of eco-friendly celebrations and encouraged them to adopt sustainable practices during festivals.</li> <li>• Showcased viable alternatives, such as making natural colors from organic sources like beetroot and flowers, as well as promoting judicious water usage during Holi.</li> <li>• Provided a platform for students, volunteers, and the</li> </ul>

participants to actively engage in collaborative efforts to support eco-friendly initiatives.

- Empowered Eco Club volunteers and committee members with leadership skills as they took charge of planning, organizing and executing the Event.
