This all inclusive Competition welcomed participants from all age groups.</p> <p>The overarching theme that guided this Competition was ‘Save Water and Secure the Future’. The participants were encouraged to craft concise yet impactful Videos addressing critical topics such as water crisis, prudent water conservation methods, and the pivotal role of water in the realm of agriculture.</p> <p>The response from the student body was nothing short of enthusiastic, with a remarkable 92 individuals registering to partake in this thought-provoking event.
