BRIEF REPORT	<p>Makar Sankranti, celebrated as the Kite Festival, adorns the sky with vibrant kites, creating a spectacular sight. However, the exuberant kite-flying competitions held during this occasion can inadvertently pose significant dangers, particularly for birds and other small creatures. The threads (known as Manja) used for the kites can inadvertently entrap and harm these creatures, even endangering their lives.</p> <p>In a responsible initiative followed by Makar Sankranti, our NCC Cadets undertook a Manja (Kite Thread) Collection Drive on 16th January, 2023. A Cadet named JUO Sandesh Dhone led this effort to address this issue. They cleaned up the College premises and the surrounding streets. Notably, they diligently gathered not only damaged kites but also discarded hazardous Manja from the streets. The participation of 20 NCC Cadets amplified the impact of this endeavour.</p> <p>Colonel Amod Chandana, the Commanding Officer of the 20 Maharashtra Battalion NCC Nagpur, applauded the commendable initiative of these Cadets. Dr. Jobi George, the Principal of the College, extended his heartfelt appreciations for the dedicated contribution of the Cadets towards safeguarding the lives of animals.</p> <p>This effort shows how undertaking thoughtful ventures can make a big impact. The Cadets demonstrated that they really care about their community and the environment by carrying</p>

	<p>out this act of social responsibility. A total of 17 Cadets enthusiastically participated in this endeavour. The initiative was coordinated under the able supervision of Asst.t Prof. Dr. Yogesh More.</p>
<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> • To address the potential harm caused to birds and other small creatures due to the use of hazardous kite threads during the Kite Festival. • To collect and remove hazardous threads from the environment, thus reducing the risk to wildlife. • To encourage a change in the behavior and promote safer kite-flying practices. • To contribute to a cleaner and safer community by removing discarded kites and dangerous kite threads from public spaces. • To encourage students for personal development and equip Cadets with a sense of responsibility towards their community. • To imbibe Institutional Social Responsibilities among our students.
<p>PROBLEMS FACED, IF ANY</p>	<p>Lack of Awareness: Not everyone in the community might be aware of the dangers posed by hazardous kite threads to birds and animals. Convincing people to change their kite-flying habits and to actively participate in the collection drive was a challenge for the Committee.</p> <p>Safety Concerns: Collecting damaged kites and hazardous Manja from streets have exposed the Cadets to safety risks such as cuts from sharp kite strings or potential contact with</p>

	<p>harmful chemicals or materials.</p> <p>Logistics and Disposal: Proper disposal of collected damaged kites and hazardous Manja in an environment-friendly manner, have posed logistical challenges. Finding appropriate and environment-friendly disposal methods for materials, required careful consideration.</p> <p>Despite these challenges, the fact that the NCC Cadets took on this initiative demonstrated their determination to make a positive impact on their community and the environment. Overcoming these challenges have contributed to the overall success of the Manja Collection Drive.</p>
<p>PROGRAMME OUTCOMES</p>	<ul style="list-style-type: none"> • Addressed the potential harm caused to birds and other small creatures due to the use of hazardous kite threads during the Kite Festival. • Collected and removed the hazardous threads from the streets and thus reduced the risk to wildlife. • Encouraged a change in the behaviour and promoted safer kite-flying practices. • Contributed to a cleaner and safer community by removing discarded kites and dangerous kite threads from public spaces. • Encouraged students for personal development and equipped Cadets with a sense of responsibility towards their community. • Imbued Institutional Social Responsibilities among our students.

Dear Quraishi Sir ,

With the immense pleasure, I would like to thank you on the behalf of the Naandi Foundation for all your efforts to make this training on "Digital Equaliser For Girls",_not only possible but also successful.

DEFG training carried out in **Bhiwapur Mahavidyalay** in-between 21/03/2023 to 25/03/2023 and I got an opportunity to train first year girls students there .

Quraishi sir was always there to cooperate on every single front . He took care of all the hospitality and make sure all my requirements met as required.

With this mail I appreciate the enthusiasm of Dr. Jobi George sir and Quraishi sir and the entire staff of the college for their strong will towards student's holistic development which reflects in the students behaviour. Your efforts are not only limited to your college but also you extended this to others colleges in your area that what makes your college (Bhiwapur Mahavidyalaya) and authorities stand different. What amazed me is that ,those 17 girls from Nutan Adarsh Mahavidyalay had been travelled from Umred just to attend this project and they mingled here very well, this shows how you take care of the students . Students were all energetic as you and I enjoyed being with them in those 4 days .

Thanking you for this wonderful experience.

Looking forward for more trainings in coming years.

Warm Regards,

Meghna Dubey
