National Workshop On

“Creating an Exhaustive Reading List for Research”

Thursday, 27th April, 2023, 12 to 2 p.m.

Concept Note

There has been a sea change in the way people search for information after the invasion of the Internet and the associated technologies. Earlier it was difficult for information to get distributed to the various parts of the globe because of the barriers of Distance, Time, and Language. It was a dream of information scientists to have control of the information flow. But the invasion of the Internet has changed the scenario as a whole and now the amount of information that gets produced and gets disseminated is tremendous and difficult to control. This phenomenon is called an Information Explosion. Hence every one is facing Information Overload.

Researchers are the people most affected as they have to depend on the reports of earlier research a lot. It is very difficult to identify the research reports relevant to one's topic of research because of the enormous amount of information in front of us. But technology is helping us to identify documents relevant to our topic of research using digital tools. Through this session, we will learn how to make an exhaustive list of journal articles on a topic of research.

Objectives

- Provide training in the search of databases for relevant journal articles.
- Provide training on making an exhaustive list of journal articles on a topic of research.
- Provide training in the Citation and creation of a Bibliography to avoid plagiarism.

BRIEF REPORT

In accordance with the Official Communications received from Rashtrasant Tukadoji Maharaj Nagpur University on 20th September, 2021 our College, under the banner of 'Students' Insurance Scheme', has initiated an Insurance Scheme for our students. The Insurance Scheme aims to provide coverage to all the enrolled students of our College. Under the expert guidance of our Principal Dr. Jobi George, Students' Insurance Programme was meticulously organized. The process commenced with the beginning of the Academic Session, and the initiative was seamlessly integrated along with the admission procedures. Comprehensive information about the Insurance Scheme was disseminated to every student.

Under this Insurance Scheme, a total of 894 students from our College were insured during the Academic Session 2022-2023. To facilitate this risk coverage, a nominal one-time premium of Rs. 40/- was collected from each student. Accordingly, we collected a sum of Rs. 35,760/-. The amount thus collected was duly deposited in the form of a Demand Draft, favouring New India Insurance Company Ltd., Nagpur Branch.

Tragically, we recently experienced the unfortunate loss of one of our loved students Mr. Prajwal Dewanand Girhepunje. During this challenging time, New India Insurance Company Limited, demonstrated its commitment by promptly processing the claim. The Company disbursed a cheque worth Rs. 3 lakh to the nominee of the deceased student. Now our College successfully entered into a **Memorandum of Understanding (MoU)** with New India Insurance Company on 15th June 2023 to facilitate this programme more effectively.

We acknowledge the significance of this Insurance Programme

	<p>in safeguarding the interests of our students and their families during unforeseen circumstances. This initiative stands as a testament to our dedication to the welfare of our students and the seamless co-operation between our Institution and New India Insurance Company Limited.</p>
<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> • To provide financial protection to insured students and their families in case of unfortunate events such as accidents or untimely demise. • To enhance the overall welfare of students by offering them insurance cover, thereby reducing financial burdens on their families during difficult times. • To disseminate comprehensive information about the Insurance Scheme for promoting financial literacy among the participants. • To mark substantial contribution in executing Institutional Social Responsibilities. • To provide substantial financial support to beneficiaries, thereby positively impacting the lives of students and their families during challenging times.
<p>PROBLEMS FACED, IF ANY</p>	<p>Communication: Ensuring that every student is well-informed about the Insurance scheme and understands its benefits and procedures was challenging for the Committee.</p> <p>Insurance Provider’s Cooperation: Collaborating effectively with the Insurance Company and resolving issues or disputes were challenging for the Committee.</p> <p>To address these potential challenges, it was essential to have a well-structured programme with clear communication channels, efficient administrative processes, and on-going support and engagement strategies for students. Regular</p>

evaluations helped the Committee to mitigate these issues and ensured its success in safeguarding the students' interests.

PROGRAMME OUTCOMES

- Provided financial protection of R.300000/- to the deceased Mr. Prajwal Dewanand Girhepunje's family.
- Enhanced the overall welfare of students by offering them an Insurance Cover, thereby reducing financial burdens on their families during difficult times.
- Disseminated comprehensive information about the Insurance Scheme for promoting financial literacy among the participants.
- Marked the substantial contribution in executing Institutional Social Responsibilities.
- Provided substantial financial support to beneficiary, thereby positively impacting the lives of students and their families during challenging times.

About Us:

When there were no elite educational institutions catering professional and conventional schoolings to the rural youths especially to the children of disadvantaged sections of the society in Vidarbha, it was Heavenly Bhausaheb Govindrao Mulak who pioneered the beginning of a new era in Higher Education in Maharashtra by establishing a charitable Trust namely Backward Class Youth Relief Committee (B.C.Y.R.C.) in 1974. The Trust began its stride by establishing K.D.K. College of Engineering at Nandanwan in Nagpur in 1981.

Now BCYRC has developed into a full-grown tree with seventeen educational institutions scattered all over Vidarbha imparting Higher Education in all the branches of learning. Bhiwapur Taluka is a typical rural place with 137 small villages and it falls close to the Tribal dominated, and Naxal affected villages of Armori, Korchi, Kurkheda and Wadsa in Gadchiroli District, Maharashtra. The city falls 72 K.M. away from Nagpur. Bhiwapur Mahavidyalaya, which is affiliated to Rashttrasant Tukadoji Maharaj Nagpur University, Nagpur was established in 1990 with Arts Faculty. It was established with the noble vision of imparting higher education to the rural youths for enabling them to learn locally and flourish globally in spite of the evils of poverty and inconvenience.

Subsequently, we started Commerce Faculty in 2002 and B.Sc. in 2012. Post Graduate courses in Economics, Political Science and Sociology were started in 2004. Over the years, the institution has earned the recognition of one of the premier co-educational institutions in Nagpur region imparting quality education in the Faculties of Arts, Commerce and Science with the strong support of highly competent and skilled teaching and non-teaching staff.

Bhiwapur Mahavidyalaya stands out as one of the lead colleges in the rural sector for its pioneering work in initializing the concept of Cluster Colleges to foster quality education. Now BCYRC has developed into a full-grown tree with seventeen educational institutions scattered all over Vidarbha imparting Higher Education in all the branches of learning. Bhiwapur Taluka is a typical rural place with 137 small villages and it falls so close to the Tribal dominated, and Naxal affected villages of Armori, Korchi, Kurkheda and Wadsa in Gadchiroli District, Maharashtra. Bhiwapur Mahavidyalaya, which is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur was established in 1990 with Arts Faculty. It was established with the noble vision of imparting higher education to the rural youths for enabling them to learn locally and flourish globally in spite of the evils of poverty and inconvenience.

Subsequently, it started Commerce Faculty in 2002 and B.Sc. in 2012. Post Graduate courses in Economics, Political Science and Sociology were started in 2004. About Us:

When there were no elite educational institutions catering professional and conventional schoolings to the rural youths especially to the children of disadvantaged sections of the society in Vidarbha, it was Heavenly Bhausaheb Govindrao Mulak who pioneered the beginning of a new era in Higher Education in Maharashtra by establishing a charitable Trust namely Backward Class Youth Relief Committee (B.C.Y.R.C.) in 1974. The Trust began its stride by establishing K.D.K. College of Engineering at Nandanwan in Nagpur in 1981.

Now BCYRC has developed into a full-grown tree with seventeen educational institutions scattered all over Vidarbha imparting Higher Education in all the branches of learning. Bhiwapur Taluka is a typical rural place with 137 small villages and it falls close to the Tribal dominated, and Naxal affected villages of Armori, Korchi, Kurkheda and Wadsa in Gadchiroli District, Maharashtra. The city falls 72 K.M. away from Nagpur. Bhiwapur Mahavidyalaya, which is affiliated to Rashttrasant Tukadoji Maharaj Nagpur University, Nagpur was established in 1990 with Arts Faculty. Over the years, the institution has earned the recognition of one of the premier co-educational institutions in Nagpur region imparting quality education in the Faculties of Arts, Commerce and Science with the strong support of highly competent and skilled teaching and non-teaching staff.
