ABOUT MCED

Maharashtra Center for Entrepreneurship Development (MCED), hereafter termed as MCED, has its head office at Aurangabad. It is a body promoted by the Government of Maharashtra and jointly by SICOM, MSFC, MSSIDC, MIDC, and MELTRON & MITCON and is registered under Societies Registration Act 1860 and Bombay Public Trust Act, 1950, is a Nodal Agency promoted by Government of Maharashtra as a joint venture of its state level industrial development corporation to conduct training activities related to Entrepreneurship Development. MCED conducts a variety of Training Programmes aimed at promoting entrepreneurship across the state, catering to the training related needs of the society. To mention a few, programs like Entrepreneurship Development Programme, Skill Development Programme, Skill Improvement Programme, Faculty Development Programme etc., constitute its core activities, which are popular and have been very useful to the people. To promote entrepreneurship on mass level, MCED conducts Awareness Programmes for students in educational institutions. It also publishes a monthly magazine "Udyojak" that is having the readership of about 25000 in the state. In an initiative to make quality IT education available to common man, MCED has created a network of around 500 centers in Maharashtra. At selected centers, the MSCIT course is also made available to cater to specific needs. Moreover, a dedicated team of persons covering cross section of entire disciplines drawn from state as well as national level are associated with MCED to help facilitate the cause of Entrepreneurship Development.

About Us:

When there were no elite educational institutions catering professional and conventional schoolings to the rural youths especially to the children of disadvantaged sections of the society in Vidarbha, it was Heavenly Bhausaheb Govindrao Mulak who pioneered the beginning of a new era in Higher Education in Maharashtra by establishing a charitable Trust namely Backward Class Youth Relief Committee (B.C.Y.R.C.) in 1974. The Trust began its stride by establishing K.D.K. College of Engineering at Nandanwan in Nagpur in 1981.

Now BCYRC has developed into a full-grown tree with seventeen educational institutions scattered all over Vidarbha imparting Higher Education in all the branches of learning. Bhiwapur Taluka is a typical rural place with 137 small villages and it falls close to the Tribal dominated, and Naxal affected villages of Armori, Korchi, Kurkheda and Wadsa in Gadchiroli District, Maharashtra. The city falls 72 K.M. away from Nagpur. Bhiwapur Mahavidyalaya, which is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur was established in 1990 with Arts Faculty. It was established with the noble vision of imparting higher education to the rural youths for enabling them to learn locally and flourish globally in spite of the evils of poverty and inconvenience.

Subsequently, we started Commerce Faculty in 2002 and B.Sc. in 2012. Post Graduate courses in Economics, Political Science and Sociology were started in 2004. Over the years, the institution has earned the recognition of one of the premier co-educational institutions in Nagpur region imparting quality education in the Faculties of Arts, Commerce and Science with the strong support of highly competent and skilled teaching and non-teaching staff.

Bhiwapur Mahavidyalaya stands out as one of the lead colleges in the rural sector for its pioneering work in initializing the concept of Cluster Colleges to foster quality education. The institution has to its credit of being a pioneer in executing MoUs with stakeholders of Higher education for Quality Evaluation, Promotion and Sustenance. MoUs signed with some of the colleges are mentioned below:

1. Dhanwate National College, Congress Nagar Nagpur
2. Nutan Adarsh Mahavidyalaya, Umred

3. Arts and Commerce College, Bhisni, Tah- Nagbhid , Dist Nagpur
4. Govindrao Warjurkar College, Nagbhid, Dist Chandrapur
5. Arun Motghare Arts and Commerce College, Konda(Kosra) , Tah- Pauni , Dist – Bhandara
6. Shivaji Science College, Pauni.

The ICT enabled classrooms, independent Departments; E.T.N.L software supported English Language Lab, state-of-the-art Computer Lab, fully automated Central Administrative Office and Central Library with spacious reading room and UGC Network Resource Centre support the institution in transforming its envisioned objectives into a reality. Other infrastructural facilities like multi-purpose Auditorium, Conference Hall, Common rooms for girls and boys, canteen, Gymnasium, Indoor Stadium, playgrounds and Women's Hostel Building enable the institution in rendering requisite facilities for the students to grow.

The Entrepreneurship Development Cell at Bhiwapur Mahavidyalaya

Our Vision

To be a well recognized center of excellence for entrepreneurship development programs that is based in an institution of quality learning.

Our Mission

Concept Note
Indian English novelists were influenced by Gandhism in the shaping of their visions. Pre-independent writers had a good fortune of seeing Gandhism in action and their approach to it was naturally of a participant observer and positive. Gandhism with all its multivalent meanings and philosophical basis, and freedom movement of India is present as an integrated phenomenon in the writings of these writers. The generation immediately after post independent era, was also seriously engaged with Gandhism, but the perspective had changed and these writers, of alternative ideologies. The perspective changed once again with post-modernist writers who made their mark in the Eighties and Nineties of the last century. Along with the other themes, we find drastic change in the characterization of women in pre and post-independence novels. In recent Indo-English fiction, the criticality of interest has shifted to the more rarified areas such as, the deployment of the multiculturalism. The acceptance of diverse religions, languages and accommodation of multiple ethnic groups into the social fabric, and tolerance of diverse cultural traits is found in recent Indian English fiction that carries the themes of modern times.

About Us:

When there were no elite educational institutions catering professional and conventional schoolings to the rural youths especially to the children of disadvantaged sections of the society in Vidarbha, it was Heavenly Bhausaheb Govindrao Mulak who pioneered the beginning of a new era in Higher Education in Maharashtra by establishing a charitable Trust namely Backward Class Youth Relief Committee (B.C.Y.R.C.) in 1974. The Trust began its stride by establishing K.D.K. College of Engineering at Nandanwan in Nagpur in 1981.

Now BCYRC has developed into a full-grown tree with seventeen educational institutions scattered all over Vidarbha imparting Higher Education in all the branches of learning. Bhiwapur Taluka is a typical rural place with 137 small villages and it falls close to the Tribal dominated, and Naxal affected villages of Armori, Korchi, Kurkheda and Wadsa in Gadchiroli District, Maharashtra. The city falls 72 K.M. away from Nagpur. Bhiwapur Mahavidyalaya, which is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur was established in 1990 with Arts Faculty. It was established with the noble vision of imparting higher education to the rural youths for enabling them to learn locally and flourish globally in spite of the evils of poverty and inconvenience.

Subsequently, we started Commerce Faculty in 2002 and B.Sc. in 2012. Post Graduate courses in Economics, Political Science and Sociology were started in 2004. Over the years, the institution has earned the recognition of one of the premier co-educational institutions in Nagpur region imparting quality education in the Faculties of Arts, Commerce and Science with the strong support of highly competent and skilled teaching and non-teaching staff.

Bhiwapur Mahavidyalaya stands out as one of the lead colleges in the rural sector for its pioneering work in initializing the concept of Cluster Colleges to foster quality education. The institution has to its credit of being a pioneer in executing MoUs with stakeholders of Higher education for Quality Evaluation, Promotion and Sustenance. MoUs signed with some of the colleges are mentioned below:

1. Dhanwate National College, Congress Nagar Nagpur
2. Nutan Adarsh Mahavidyalaya, Umred

3. Arts and Commerce College, Bhisni, Tah- Nagbhid , Dist Nagpur
4. Govindrao Warjurkar College, Nagbhid, Dist Chandrapur
5. Arun Motghare Arts and Commerce College, Konda(Kosra) , Tah- Pauni , Dist – Bhandara
6. Shivaji Science College, Pauni.

The ICT enabled classrooms, independent Departments; E.T.N.L software supported English Language Lab, state-of-the-art Computer Lab, fully automated Central Administrative Office and Central Library with spacious reading room and UGC Network Resource Centre support the institution in transforming its envisioned objectives into a reality. Other infrastructural facilities like multi-purpose Auditorium, Conference Hall, Common rooms for girls and boys, canteen, Gymnasium, Indoor Stadium, playgrounds and Women's Hostel Building enable the institution in rendering requisite facilities for the students to grow.

The Entrepreneurship Development Cell at Bhiwapur Mahavidyalaya

Our Vision

To be a well recognized center of excellence for entrepreneurship development programs that is based in an institution of quality learning.

Our Mission

CONCEPT NOTE

Intellectual Property Rights ensures that the creators will be acknowledged for their efforts and protected from infringement. When the assurance of the works is found to be protected, the creators are more likely to come with new creations. Thus, IPR helps to promote creativity and innovation. There are many different forms of IPR, each of which is protected by a certain type of IP Rights. This National Workshop aims to bring awareness on Intellectual Property Rights.

OBJECTIVES

- To create public awareness about the benefits of Intellectual Property Rights among academicians
- To kindle the creation of and growth of intellectual property by undertaking relevant measures
- To strengthen the enforcement mechanism for better protection of IPR.

National Workshop On
“Creating an Exhaustive Reading List for Research”
Thursday, 27th April, 2023, 12 to 2 p.m.

Concept Note

There has been a sea change in the way people search for information after the invasion of the Internet and the associated technologies. Earlier it was difficult for information to get distributed to the various parts of the globe because of the barriers of Distance, Time, and Language. It was a dream of information scientists to have control of the information flow. But the invasion of the Internet has changed the scenario as a whole and now the amount of information that gets produced and gets disseminated is tremendous and difficult to control. This phenomenon is called an Information Explosion. Hence every one is facing Information Overload.

Researchers are the people most affected as they have to depend on the reports of earlier research a lot. It is very difficult to identify the research reports relevant to one's topic of research because of the enormous amount of information in front of us. But technology is helping us to identify documents relevant to our topic of research using digital tools. Through this session, we will learn how to make an exhaustive list of journal articles on a topic of research.

Objectives

- Provide training in the search of databases for relevant journal articles.
- Provide training on making an exhaustive list of journal articles on a topic of research.
- Provide training in the Citation and creation of a Bibliography to avoid plagiarism.

Concept Note

India is surging ahead on all frontages of the globe including Science and Technology. With the enactment of New Education Policy 2020, knowledge in all its contours is bound to affect with fabulous outcomes in transubstantiating Societies at large and the Nation in particular. Owing to the advances in Science and Technology, many auxiliaries like Machine Sciences, Artificial Intelligence, Data Science etc. have opened new avenues in substantiating numerous unskilled jobs worldwide to be taken over by machines. The need for a professed pool, particularly involving the auxiliary in confluence with multidisciplinary capacities across Social Sciences and Humanities ought to be in lesser demand. To keep up with the times of rarities, it's binding on all the Higher Educational Institutions to take up the responsibility of moulding scholars to not only gain employment but also to nurture and sustain the life around them. The Two-Day Interdisciplinary International Conference on "Re-imagining Sciences in the wake of NEP 2020: Research, Dissemination and Skill Development" is being convened in the environment of advances and recent trends in Interdisciplinary Sciences to promote Multidisciplinary and a Holistic education across the Knowledge Systems.

CONCEPT NOTE :

Monetary policy is the use of monetary instruments controlled by the Reserve Bank of India to adjust expenditures such as interest rates, money supply, and credit availability in order to achieve the ultimate goal of economic policy. The purpose of the monetary policy is to control price stability while pursuing growth. Price stability remains a pre-requisite for long-term growth. Inflation must be kept in check to ensure price stability. The Government of India sets an inflation target for every five years. The Reserve Bank of India plays a crucial role in the inflation targeting consultation process. To decrease the rate of inflation, the Reserve Bank of India increases repo rate many times. Its effects are seen in various fields of Indian Economy. To deliberate on these issues and more, a One-Day State Level Seminar on, "Indian Economy : Monetary Policy and Challenges," is being organized on Thursday 4th May 2023.

OBJECTIVES :

The Seminar aims to deliberate on the effects of Monetary Policy of Reserve Bank of India on Investments, Savings, Consumers, Price Control and Commercial Banks.

ABOUT THE INSTITUTION

When there were no elite educational institutions catering professional and conventional schooling to the rural youths of the disadvantaged sections of the society in Vidarbha, it was Reverend Bhosaiah Govindrao Mulla who pioneered the beginning of a new era in Higher Education in Maharashtra by establishing a Charitable Trust as Backward Class Youth Relief Committee (B.C.Y.R.C.) in 1974. Since its inception BCYC has blossomed into sixteen educational institutions all over Vidarbha imparting Higher Education in all the branches of learning. Bhiwapur Taluka is a typical rural place with 127 villages and it is close to the tribal dominated forest area. The town is 72 K.M. away from Nagpur. Bhiwapur Mahavidyalaya, which is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur was established in 1990 through Arts Faculty with the noble vision of imparting education to the rural youths for enabling them to learn locally and flourish globally in spite of the odds of poverty and inaccessibility. Subsequently Faculty of Commerce and Management and Faculty of Science were added in 2002 and 2012 respectively. Post Graduate courses in Economics, Political Science and Sociology are fractional from 2004. Over the years, the institution has earned a reputation as one of the premier co-educational institutions in Nagpur rural region imparting education in the Faculties of Arts, Commerce and Science with the strong support of highly competent and skilled teaching and non-teaching staff.
