BENEFICIARIES/TARGET GROUP	The Volunteers of NSS
NUMBER OF STUDENTS/BENEFICIARIES	Eight NSS Volunteers
DETAILED REPORT OF THE ACTIVITY	The NSS Unit of our College, under the aegis of Internal Quality Assurance Cell, celebrated the 'World Environment Day' on 5th June, 2023 in the College Campus. The NSS Volunteers of our College, accompanied by Associate Prof. Dr. Motiraj Chavhan, the Programme Officer of NSS Committee and Asst. Prof. Someshwar Wasekar, commemorated 'World Environment Day'. On this occasion, they conscientiously planted saplings of various species of mangoes in the College Campus. The students were sensitized about the utmost importance of preserving our Mother Earth by planting more trees and safeguarding the existing flora and fauna. The aim of this activity was to instill the significance of protecting trees from being axed. Inspired by the awareness Session, the students wholeheartedly took a pledge to protect and nurture every tree they had planted. Consequently, the motto of 'One Student, One Tree' was inculcated among the NSS Volunteers. Eight Volunteers of NSS actively
	participated in this Event. Dr. Jobi George, the Principal of Bhiwapur

Mahavidyalaya, Associate Prof. Dr. Sunil K. Shinde, Asst. Prof. Dr. Mangesh Kadu, Associate Prof. Dr. Madhukar Nandanwar, Asst. Prof. Dr. Vinita Virgandham, the IQAC Coordinator and Asst. Prof. Dr. Ravikant Mishra appreciated the students for their active participation in this noble act.

Mr. Gulab Gedekar, NSS volunteers Mr. Kiran Dhone, Mr. Pravin Mangar, Mr. Amit Bhoyar, Mr. Dipak Sahare, Mr. Suraj Thakare, Mr. Sahil Yeole, Mr. Yash Dadamal and Mr. Vishal Barekar worked hard to make this event successful.

PROGRAMME OBJECTIVES

- To celebrate and create awareness about 'World Environment Day'.
- To encourage active participation and engagement of NSS Volunteers in environmental conservation activities.
- To sensitize students about the importance of preserving the environment, especially by planting more trees and protecting the existing flora and fauna.
- To instill a sense of responsibility and commitment among students towards environmental conservation and sustainability.
- To foster a culture of environmental consciousness and eco-friendly practices among the College community.

Responsibilities among our students. PROBLEMS FACED, IF ANY Students' Participation: Encouraging students' participation in the Event was challenging for the Committee. Protection of plants and its Maintenance: After planting the saplings, ensuring proper care and maintenance is crucial for their survival. Adequate watering, protection from pests and monitoring their growth required ongoing efforts, which were challenging for the Committee. IMPACT/OUTCOME ACHIEVED • Celebrated and created awareness about 'World Environment Day'. • Encouraged active participation and engagement of N.S.S Volunteers in environmental conservation activities. • Sensitized our students about the importance of preserving the environment, especially by planting more trees and protecting the existing flora and fauna. • Instilled sense of responsibilities and commitment among our students towards environmental conservation and sustainability. • Fostered a culture of environmental consciousness and eco-friendly practices among the College community. • Imbibed a sense of Institutional Social Responsibilities among our students.		To imbibe sense of Institutional Social
