DETAILED REPORT OF THE ACTIVITY	<p style="text-align: center;">Bhiwapur Mahavidyalaya Annual Report of the Certificate Course in Medicinal Plants Duration from 21 February 2024 – 25 April 2024</p> <p>Introduction</p> <p>The Certificate Course in Medicinal Plants was successfully conducted from 21 February 2024 to 25 April 2024. A total of 18 students enrolled for the course, and all of them successfully cleared the final examination. The course was coordinated and organized by the OSOSP (One Student One Skill) Committee under the expert guidance of Assistant Professor Darshana Dhamdhar, who served as the course instructor.</p> <p>The Certificate Course in Medicinal Plants successfully met its objectives and delivered valuable knowledge and skills to the students. The OSOSP Committee's efforts in organizing the course and the dedication of Assistant Professor Darshana Dhamdhar were instrumental in its success. The positive feedback from students indicates a strong demand for such initiatives, highlighting the importance of offering similar interdisciplinary courses in the future.</p>
PROGRAMME OBJECTIVES	<ol style="list-style-type: none"> 1. To provide students with an understanding of the medicinal properties of plants and their role in healthcare. 2. To promote awareness about the importance of conservation and sustainable use of medicinal plants. 3. To equip students with basic knowledge of identifying and cultivating medicinal plants. 4. To encourage interdisciplinary learning by integrating botany, pharmacology, and traditional medicine practices.
PROBLEMS FACED, IF ANY	Despite the OSOSP Committee's efforts to motivate students to participate in the said course, not many students enrolled themselves.
IMPACT/OUTCOME ACHIEVED	<ol style="list-style-type: none"> 1. Students gained theoretical and practical knowledge of medicinal plants, their uses, and their significance in healthcare systems. 2. Participants were able to identify common

medicinal plants and understand their therapeutic properties.

3. The course fostered an appreciation for the conservation of biodiversity and sustainable practices in the use of natural resources.
4. Students demonstrated the ability to apply the acquired knowledge to basic cultivation practices and preparation of herbal remedies.

ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.

Feedback was collected from the enrolled students to assess the effectiveness of the course. The key points from the analysis are summarized below:
