<p><b>DETAILED REPORT OF THE ACTIVITY</b></p>	<p>Department of Botany and Eco Club, under the aegis of IQAC, organized a vibrant Flower Show on 31<sup>st</sup> January, 2024. The Flower Show featured a stunning array of flowering plants from our College garden, lovingly nurtured over the past year. Students eagerly contributed by bringing plants from their own homes, adding to the diversity and richness of the exhibit.</p> <p>Participation of Sarvesh Nursery from Umred further enhanced the charm of the Event, contributing to the beauty of the floral displays. Local residents flocked to the exhibition, drawn not only by the breath-taking flowers but also by the opportunity to purchase plants for their own gardens.</p> <p>The Inaugural Ceremony was a highlight, graced by Shri Padmakarji Agrawal, Member of the College Development Committee and Dr. Jobi George, the Principal of our College. The presence of Mrs. Thakare, a devoted homemaker known for her deep love of plants, added a special charm. Living next to the College Campus, Mrs. Thakare embodies true plant enthusiasm.</p> <p>Throughout the Flower Show, students, members of teaching and non-teaching staff, along with the community members, revelled in the beauty of nature, making the Flower Show a memorable and resplendent Event for all.</p>
<p><b>PROGRAMME OBJECTIVES</b></p>	<ul style="list-style-type: none"> <li>● To raise awareness about the importance of plants and biodiversity.</li> <li>● To foster a sense of community among students, faculty and local residents.</li> <li>● To educate attendees about different plant species, their care and cultivation techniques.</li> <li>● To provide students with an opportunity to demonstrate their gardening skills and botanical knowledge</li> </ul>

	<ul style="list-style-type: none"> <li>● To offer a marketplace for attendees to purchase plants, supporting local nurseries.</li> <li>● To create an Event that allows the participants to appreciate the beauty of nature.</li> <li>● To encourage the use of eco-friendly methods in plant cultivation and care.</li> <li>● To showcase the commitment of Institution for extracurricular and community-oriented activities.</li> </ul>
<p><b>PROBLEMS FACED, IF ANY</b></p>	<p><b>Challenges:</b></p> <ul style="list-style-type: none"> <li>● Unexpected weather changes, such as heavy rain or extreme heat, which was a challenge for the setup and maintenance of the Flower Show.</li> <li>● Ensuring all plants are healthy and disease-free required diligent care and monitoring.</li> <li>● Effectively promoting the Event to attract a diverse audience.</li> <li>● Organizing an effective clean-up process after the Event to restore the venue to its original state.</li> </ul>
<p><b>IMPACT/OUTCOME ACHIEVED</b></p>	<ul style="list-style-type: none"> <li>● Raised awareness about the importance of plants and biodiversity.</li> <li>● Fostered a sense of community among students, faculty and local residents.</li> <li>● Educated attendees about different plant species, their care and cultivation techniques.</li> <li>● Provided students with an opportunity to demonstrate their gardening skills and botanical knowledge.</li> <li>● Offered a marketplace for attendees to purchase plants, supporting local nurseries.</li> <li>● Created an event that allows the participants to appreciate the beauty of nature.</li> <li>● Encouraged the use of eco-friendly methods in plant cultivation and care.</li> <li>● Showcased the commitment of our Institution for extracurricular and community-oriented activities.</li> </ul>
