KEYNOTE SPEAKER/RESOURCE PERSON/PERSONS (Furnish a Brief Report on the Keynote Speaker's Expertise)	Nil

BENEFICIARIES/TARGET GROUP	Wild Life adjacent to the reserve forest area and Birds
NUMBER OF STUDENTS/BENEFICIARIES	28
DETAILED REPORT OF THE ACTIVITY	<p>Makar Sankranti, which is celebrated as Kite Festival, adorns the sky with vibrant kites, creating a spectacular sight. However, the exuberant kite-flying competitions held during this occasion can inadvertently pose significant dangers, particularly for birds and other small creatures. The threads (known as Manja) used for the kites can inadvertently entrap and harm these creatures, even endangering their lives.</p> <p>In a responsible initiative followed by Makar Sankranti, our NCC Cadets undertook a Manja (Kite Thread) Collection Drive from 15th January, 2024 to 18th January, 2024. Senior Under Officer- Pranay Ilamkar led this effort to address this issue. NCC cadets of our College spread awareness among the people about the hazardous effect of Nylon Manja through the rally. They cleaned up the College premises and the surrounding streets. Notably, they diligently gathered not only damaged kites but also discarded hazardous Manja from the streets. The participation of 28 NCC Cadets amplified the impact of this endeavour.</p> <p>Colonel Vikas Sharma, the Commanding Officer</p>

	<p>of the 20 Maharashtra Battalion NCC Nagpur, applauded the commendable initiative of these Cadets. Dr. Jobi George, the Principal of our College, extended his heartfelt appreciation for the dedicated contribution of the Cadets towards safeguarding the lives of animals.</p> <p>This effort shows how undertaking thoughtful ventures can make a big impact. The Cadets demonstrated that they really care about their community and the environment by carrying out this act of social responsibility. The initiative was coordinated under the able supervision of Asst. Prof. Dr. Yogesh More.</p>
<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> • To address the potential harm caused to birds and other small creatures due to the use of hazardous kite threads during the Kite Festival. • To collect and remove hazardous threads from the environment, thus reducing the risk to wildlife. • To encourage a change in the behaviour and promote safer kite-flying practices. • To contribute to a cleaner and safer community by removing discarded kites and dangerous kite threads from public spaces. • To encourage students for personal development and equip Cadets with a sense of responsibility towards their

	<p>community.</p> <ul style="list-style-type: none"> To imbibe Institutional Social Responsibilities among our students.
<p>PROBLEMS FACED, IF ANY</p>	<p>Lack of Awareness: Majority of people in the community may not be aware of the dangers posed by hazardous kite threads to birds and animals. Convincing people to change their kite-flying habits and to actively participate in the collection drive was a challenge for the Committee.</p> <p>Safety Concerns: Collecting damaged kites and hazardous Manja from streets have exposed the Cadets to safety risks such as cuts from sharp kite strings or potential contact with harmful chemicals or materials.</p> <p>Disposal: Proper disposal of collected damaged kites and hazardous Manja in an environment-friendly manner, have posed serious challenges. Finding appropriate and environment-friendly disposal methods for materials, required careful consideration.</p> <p>Despite these challenges, the fact that the NCC Cadets took on this initiative demonstrated their determination to make a positive impact on their community and the environment. Overcoming these challenges have contributed to the overall success of the Manja Collection Drive.</p>
<p>IMPACT/OUTCOME ACHIEVED</p>	<ul style="list-style-type: none"> Addressed the potential harm caused to birds and other small creatures due to the use of hazardous kite threads during the Kite

Festival.

- Collected and removed the hazardous threads from the streets and thus reduced the risk to wildlife.
- Encouraged a change in the behaviour and promoted safer kite-flying practices.
- Contributed to a cleaner and safer community by removing discarded kites and dangerous kite threads from public spaces.
- Encouraged our students for personal development and equipped NCC Cadets with a sense of responsibility towards their community.
- Imbided Institutional Social Responsibilities among our students.
