DETAILED REPORT OF THE ACTIVITY	<p>Under the aegis of IQAC the Department of Botany in collaboration with Eco-Club Committee organized an Essay Writing Competition on the occasion of ‘World Water Day’ on 22nd March, 2024. The students were asked to write on the topic of ‘Pollution’. Accordingly, the Committee received a commendable response from the students. The Essays submitted by students demonstrated their excellent writing skills and thoughtful insights. The judging of the Essays was done by Asst. Prof. Dr. Ashwini Kadu, Head of the Department of Chemistry. The evaluation was based on students’ vocabulary, presentation and creativity. The participants dedicated their best efforts to craft their Essays within the stipulated time.</p> <p>Choosing the winners proved to be a challenging task for our judge due to their quality writings. However, three participants were recognized for their exceptional efforts and hard work. Dr. Jobi George, the Principal of Bhiwapur Mahavidyalaya, Asst. Prof. Dr. Ashwini Kadu and Asst. Prof. Darshana Dhamdar congratulated Miss. Saloni Raut, Miss. Smital Munghate and Miss. Priya Dewalkar for securing ‘A’ Grade in an Essay</p>

Writing Competition. The winners received Certificates of appreciation during ‘Umang-2024’, the Annual Function of our College.

PROGRAMME OBJECTIVES

- To commemorate the ‘World Water Day’ and create awareness about the importance of preserving water.
- To provide a platform for the students to express their views and ideas on the topic of ‘Water Saving’ through Essay writing.
- To promote the development of effective writing skills, including vocabulary, presentation and creativity.
- To foster a sense of environmental consciousness and the importance of ‘Water Harvesting’ among the participants.

PROBLEMS FACED, IF ANY

Insufficient participation:

The Essay Writing Competition saw a low

	<p>participation of students possibly due to lack of awareness, scheduling conflicts or students' disinterest.</p>
<p>IMPACT/OUTCOME ACHIEVED</p>	<ul style="list-style-type: none"> • Provided a platform for the students to express their views and ideas on the topic of water for peace through Essay writing. • Encouraged the students to make Research and collect information about different ways of 'Water Harvesting'. • Promoted the development of effective writing skills, including vocabulary, presentation and creativity. • Fostered a sense of environmental consciousness and the importance of 'Water Management' among the participants.
<p>ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.</p>	<p>'The Essay Writing Competition on the eve of World Water Day was an enlightening experience. It allowed us to express our views on a critical issue, fostering awareness and encouraging creativity. We appreciated the platform to share our thoughts and learn from Peers. Such initiatives are vital for promoting environmental consciousness and inspiring positive change.'</p>
