<p>DETAILED REPORT OF THE ACTIVITY</p>	<p>With the vision of beautifying the Parking Area of our College, the Volunteers of NSS planted various types of saplings on 30th August, 2023. Our N.S.S Volunteers planted species such as Bahava (Cassia Fistula), Saptaparni (Alstonia Scholaris), Bakul (Mimusops Elengi), Bottle Brush (Callistemon) and Bahunia, contributing significantly to the enhancement of our Institution’s aesthetic appeal.</p> <p>The participation of N.S.S Volunteers was not limited to just planting saplings, but also extended to raising environmental awareness. Through their efforts, they emphasized the importance of greenery and environmental conservation.</p> <p>In all 25 students enthusiastically participated in this Tree Plantation Drive, showcasing their dedication and commitment. Their active involvement not only beautified the Campus but also instilled a sense of responsibility towards nature and the environment among their peers.</p> <p>The Sapling Plantation Drive by the N.S.S Volunteers is a testament to their proactive approach in creating a greener and more beautiful Campus while spreading the message of environmental consciousness.</p>
<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> • To promote environmental sustainability and awareness among our students and staff members. • To encourage the active participation and engagement of students in environmental initiatives. • To enhance the beauty and greenery of the College Campus through sapling plantation. • To educate the participants about the

	<p>importance of trees in maintaining ecological balance and preserving biodiversity.</p> <ul style="list-style-type: none"> • To nurture a sense of responsibility and ownership among our students towards the environment. • To foster a culture of sustainability and environmental stewardship within the College community.
<p>PROBLEMS FACED, IF ANY</p>	<p>Logistical Issues:</p> <ul style="list-style-type: none"> • Coordination of resources such as saplings, tools and materials needed for planting. • Transportation of saplings and equipment to the site. <p>Participation and Engagement:</p> <ul style="list-style-type: none"> • Motivating and organizing a sufficient number of volunteers to participate actively. • Ensuring that all the participants were adequately trained and informed about proper planting techniques.
<p>IMPACT/OUTCOME ACHIEVED</p>	<ul style="list-style-type: none"> • Promoted environmental sustainability and awareness among our students and staff members. • Encouraged the active participation and engagement of our students in environmental protection initiatives. • Enhanced the beauty and greenery of our College Campus through sapling plantation. • Educated the participants about the importance of trees in maintaining ecological balance and preserving biodiversity. • Nurtured a sense of responsibility and ownership among our students towards the environment. • Fostered a culture of sustainability and environmental stewardship within the College community.
