DETAILED REPORT OF THE ACTIVITY	<p>The National Service Scheme and Eco Club of our Institution, under the aegis of IQAC, organized ‘Plantation Drive’ in the College premises on 14th and 15th July 2023. The Event witnessed active participation from our students, who wholeheartedly took part in this Drive.</p> <p>In all 80 saplings were planted by the students, ensuring their proper nurturing and growth. The Plantation Drive received immense support and attendance from the Teaching and Non-teaching Staff of our Institution.</p> <p>Dr. Jobi George, the Principal of our College, delivered an inspiring address to the students, emphasizing the significance of planting saplings in sustaining our environment and the importance of trees in maintaining ecological balance, preserving biodiversity and mitigating the impact of climate change.</p> <p>This Plantation Drive was not only aimed to beautify our College Campus but also served as a collective effort to contribute to a greener and healthier environment. It instilled a sense of responsibility in our students towards nature and the urgency to take action for its preservation. In all, 25 students actively participated in this Drive.</p>

<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> • To promote environmental sustainability and awareness among our students and staff members. • To encourage the active participation and engagement of students in environmental protection initiatives. • To enhance the beauty and greenery of our College Campus through planting saplings. • To educate the participants about the importance of trees in maintaining ecological balance and preserving biodiversity. • To nurture a sense of responsibility and ownership among our students towards environment. • To foster a culture of sustainability and environmental stewardship within the College community.
<p>PROBLEMS FACED, IF ANY</p>	<p>Lack of participation from students: The Committee came across with certain problems such as lack of interest, lack of awareness about the importance of tree plantation, or prior commitments.</p>
<p>IMPACT/OUTCOME ACHIEVED</p>	<ul style="list-style-type: none"> • Promoted environmental sustainability and awareness among our students and staff members. • Encouraged the active participation and engagement of students in environmental protection initiatives. • Enhanced the beauty and greenery of our College Campus through tree plantation. • Educated the participants about the importance of trees in maintaining ecological balance and preserving biodiversity.

- Nurtured a sense of responsibility and ownership among our students towards the environment.
- Fostered a culture of sustainability and environmental stewardship within the College community.
