DETAILED REPORT OF THE ACTIVITY	The Eco-Club of our Institution, under the aegis of IQAC, organized one 'Sapling

Plantation Drive' in the College premises on 15th July, 2023. The Event witnessed active participation of our students, who wholeheartedly took part in this Drive.

During the Programme, eighty saplings were carefully planted by the students ensuring their proper nurturing and growth. 'The Sapling Plantation Drive' received immense support and attendance from the teaching and non-teaching staff of our institution.

Dr. Jobi George, the Principal of our College, delivered an inspiring address to the students emphasizing the significance of sapling plantation in sustaining our environment and also about the importance of trees in maintaining ecological balance, preserving biodiversity and mitigating the impact of climate change.

'The Sapling Plantation Drive' not only aimed to beautify the College Campus but also served as a collective effort to contribute to a greener and healthier environment. It instilled in our students a sense of responsibility towards nature and the urgency to take action for its preservation.

PROGRAMME OBJECTIVES

- To promote environmental sustainability and awareness among our students and staff members.

	<ul style="list-style-type: none"> • To encourage the active participation and engagement of students in environmental initiatives. • To enhance the beauty and greenery of the College Campus through sapling plantation. • To educate the participants about the importance of trees in maintaining ecological balance and preserving biodiversity. • To nurture a sense of responsibility and ownership among our students towards the environment. • To foster a culture of sustainability and environmental stewardship within the College community.
<p>PROBLEMS FACED, IF ANY</p>	<p>Lack of participation from students:</p> <p>The Committee faced challenges regarding lack of healthy response from some of the participants. However, through proper management and coordination, the committee managed to address the issue.</p>
<p>IMPACT/OUTCOME ACHIEVED</p>	<ul style="list-style-type: none"> • Promoted environmental sustainability and awareness among our students and staff members. • Encouraged the active participation and engagement of students in environmental initiatives.

- Enhanced the beauty and greenery of the College Campus through sapling plantation.
- Educated the participants about the importance of trees in maintaining ecological balance and preserving biodiversity.
- Nurtured a sense of responsibility and ownership among our students towards environment.
- Fostered a culture of sustainability and environmental stewardship within the College community.

ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.
