DETAILED REPORT OF THE ACTIVITY	<p>Department of Physics, under the banner of Science Literary Association, had the honour of witnessing the historic landing of Mission Chandrayaan-3. This monumental Event was streamed live for our students on 23rd April, 2023 starting at 5:20 P.M. The live broadcast was aired on Doordarshan and made accessible to our students through a live stream, in the Smart Room of our College.</p> <p>To commemorate the occasion, a National Level Online Quiz Competition was conducted, attracting 396 participants from various parts of the country. All the participants received ‘Certificates of Participation’ as a token of appreciation for their involvement.</p> <p>Chandrayaan-3 was launched from Satish Dhawan Space Centre on 14th July, 2023. The Spacecraft entered Lunar Orbit on 5th August, 2023 and made history by becoming the first Lander to touch down near the Lunar South Pole on 23rd August 2023 at 18:03 IST. This achievement marked India as the fourth country to successfully land on the Moon and set a record for the Southernmost Lunar landing at 69°S.</p> <p>A select group of 30 participants had the privilege of attending this magnificent Programme. Followed by the telecast, Lt. Dr. Yogesh More, Head, Department of Physics, shared insightful facts about the Indian Space Programme with the students.</p> <p>The successful execution of this Programme was made possible through the diligent coordination and efforts of Asst. Prof. Lt. Dr.</p>		

	<p>Yogesh More. Asst. Prof. Amit Thakare provided invaluable technical assistance for the smooth execution of the Event. The presence of Asst. Prof. Dr. Ashwini Kadu, Asst. Prof. Dr. Ravikant Mishra and Asst. Prof. Darshana Damdhar added prestige to the occasion.</p>
<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> • To raise awareness among students about the Historic Achievement of Mission Chandrayaan-3. • To inspire the participants by allowing them to witness the landing of the most ambitious Mission of our Nation. • To inculcate value of National Pride and Honour. • To facilitate discussions and knowledge sharing among students about Mission Chandrayaan-3. • To highlight the achievement and glory of Indian Space Organization (ISRO). • To showcase the effective coordination and execution capabilities of the Institution. • To align with the objectives of the Internal Quality Assurance Cell and its focus on enhancing the quality of education through various activities and Programmes.
<p>PROBLEMS FACED, IF ANY</p>	<p>Technical Challenges: Setting up a live streaming of the Event in the Smart Room of our College required technical expertise and equipment, potentially leading to technical glitches.</p> <p>Despite this potential challenge, the successful execution of the Event demonstrated the dedication and effort of the organizers and the participants.</p>
<p>IMPACT/OUTCOME ACHIEVED</p>	<ul style="list-style-type: none"> • Raised enthusiasm among students about the Historic Achievement of Mission Chandrayaan-3. • Inspired the participants by allowing them to witness the landing of most ambitious Mission of our Nation. • Inculcated the value of National Pride and Honour. • Facilitated discussions and knowledge sharing among students about Mission Chandrayaan-3.
