Asst. Prof. Dr. Mangesh Acharya, Antyoday Mahavidyalaya, Devgram, Tehsil Narkhed, Dist. Nagpur gave his expertise on the 'New Educational Policy-2020'. In his talk, he addressed the teachers and students of our College that 'National Education Policy-2020' reflects many elements of educational philosophy in its various perspectives. It is also believed that the education system should give primacy to the all-round development of human mind, body and spirit.

The NEP 2020 after almost three decades of wait has exhibited a similar shift in philosophy wherein it holds that education in its primitive form of rote-learning does not lead to the expected outcomes of human development. In order to alter this reality, the NEP 2020 has put this kind of education at a backseat and has given prominence to the idea of learning, which is holistic, integrated, inclusive, enjoyable and engaging. It is in this context, the Workshop was organized by Bhiwapur Mahavidyalaya to enrich our knowledge and at the same time increase our efficiency in implementing the NEP 2020. The Workshop adopted lecture cum-discussion.
