To Whom So Ever It May Concern

The Feedback Mechanism provides Quantifiable and Qualitative measures for improvisation in the Teaching- Learning process. It stands impoverished without proper actions being executed to bring the desired results on improvisations. The following Feedback forms have been received: Feedback of students on teachers, Students' Feedback on College, Teachers' Feedback on College, the Feedback of Non-Teaching Staff on College, the Feedback of Alumni on College, the Feedback of Parents on College, the Feedback of Employers and the Feedback of Management on College.

Some of the highlights of the Feedback are as given below:

A graphical representation of the responses has been noted as per the Likert Scale of 'Strongly Agree', 'Agree', 'Neither Agree' nor 'Disagree', 'Disagree', 'Strongly Disagree'. The graph points out at some stray responses of 'Strongly Disagree' for a few questions. The Action Taken Report below gives the complete analysis of individual teachers which due to confidentiality has been conveyed in an amiable manner.

a. Faculty was apprised of the responses and was asked to take the Feedback responses seriously as it could affect the learners' psyche.
b. Feedback in the form of scepticism in the system and pedagogical approaches could initiate lacunae in imparting quality education.
c. To introspect on the Feedback, and accordingly plan the dissemination of knowledge is the prime concern and priority for the Institution as per the Vision, Mission, Core Values and Quality Policy.

Conclusion

The faculties have taken the Feedback from the students very seriously and the Institution with its Mechanisms ensures to bring out positive results. The Institution believes in the competency of its faculty and provides opportunities to the faculties to update their pedagogical approaches. Advisory letters have been extended for further improvisations and Appreciation Letters expressing gratitude for the services extended by the faculty.

The Feedback along with the Action Taken Reports has been placed in the Meeting of the College Development Committee. A copy has been forwarded to the Members of the Foundation Society for their perusal.

However, the Institution pays heed to the minutest detail pertaining to its quality policy. The Institution has a policy of maintaining daily Workbook for the faculty. This Workbook holds all the details of the syllabus taught, students' Counselling details, and remarks thereof.

The assignments given to the students are aimed at enhancing the critical reasoning skills of students. As such, these assignments help the students to identify their creative ideas in a better way.

The Institution, through its various disciplines, has asked the faculty to include topics based on the learners' levels and assess them and train them to cater to the above- mentioned skills.

The faculties have taken the Feedback from the students in good stead and are working towards achieving the envisioned goals of quality policy. Thus, the Institution, with its Mechanisms, ensures to bring out positive results.
