The details of the Educational Tour are as follows; **The First Day: 11th March, 2024** **The Temple of Anusaya Mata in Pardsinga** On the first day of the Educational Tour i.e. on 11th March, 2024 the students and the staff visited the Temple of Sant Anusaya Mata in Pardsinga. **Narnala Sanctuary: -** The students also visited the Narnala Sanctuary in Akot, Dist. Akola. It is a hill fortress in the Satpura Range of Vidarbha, Maharashtra. **Shri Sant Gajanan Maharaj's Temple at Shegaon: -** The Staff and the students visited Shegaon for paying obeisance to Shri Sant Gajanan Maharaj. Students were informed that Shegaon gained the reputation as a Holy

	Place ever since Shri Sant Gajanan Maharaj lived there. Shri Sant Gajanan Maharaj Temple was built at his place of Samadhi. Sant Gajanan Maharaj Sansthan is the largest Temple Trust in Vidarbha region and is known as the "Pandharpur of Vidarbha". After getting Darshan and Mahaprasad, the students and the Staff took rest in the Ashram of Sant Gajanan Maharaj Trust. **The Second Day: 12th March, 2024** **Jalicha Dev: -** On 12th March, 2024 we visited Jalicha Dev. Here, students were informed that 'Jalicha Dev' is the most important holy place for the devotees of 'Mahanubhav Panth'. It is believed that Shri Chakradhar Swami resided here for some time. It is situated in Bhokardan Tahsil in Jalna on the North side. **Ajantha Caves- UNESCO World Heritage Site: -** Then, we all reached Ajantha, one of the oldest Caves in the country. After that, Associate Prof. Dr. Motiraj Chavhan informed the students that the Ajanta Caves are 30 odd rock-cut Caves that date back to the second century BC. These Buddhist Monuments are known for their murals, paintings and sculptures that have defined Indian art over time. Today, they are a UNESCO World Heritage Site and a protected Monument under the Archaeological Survey of India. There were 30 Caves and these were built in two phases and provided shelter to Buddhist monks who came there to meditate during the Monsoon. Even today, these Caves can cast a spell on you with their artistic beauty and would give

	you a peek into our history. An inspiration to today's Indian art, the paintings that are centuries old tell a story of our ancestors and how they lived their lives. He also added that once-in-a- lifetime any history or art lover should visit Ajanta Caves. Here, students studied the murals, paintings and sculptures that have defined Indian art over time. **Devagiri, Daulatabad Fort:** Then we visited the Devagiri Fort in Sambhaji Nagar. Associate Prof. Dr. Motiraj Chavhan, Head of the Department of History, Bhiwapur Mahavidyalaya informed the students that Devagiri, Daulatabad is a Majestic Fort in Maharashtra. This famous Fort, which is also known as Deogiri and Devagiri, is located in the Daulatabad village near Sambhaji Nagar. It was once the Capital for the Yadava Dynasty from the 9th to 14th century and was also the Capital of the Delhi Sultanate briefly between 1327 and 1334 and the second Capital for the Ahmednagar Sultanate between 1499 and 1636. When Muhammad Bin Tughlaq took over the Throne of Delhi, he was drawn to this Fortress and decided to shift his Capital and court here, renaming the area as the City of Fortune or Daulatabad. Students of our College understood all the information about the Historical Place 'Devgiri'. To reach the summit of Devagiri, it was a thrilling experience for the Staff and the students of our College. **Khuldabad:** We also visited the tomb of Aurangzeb (4th November,

	1618-3rd March, 1707), the sixth Mughal Emperor, ruled most of the Indian Subcontinents for half a century until he died on 3rd March, 1707. Associate Prof. Dr. Motiraj Chavhan informed the students that Aurangzeb is buried in an unmarked grave in the complex of the Dargah or Shrine of Sheikh Zainuddin. It is said that Aurangzeb paid for his burial place by stitching caps during his last years and that it cost only 14 rupees and 12 annas which surprised the students and Staff alike. **Grishneshwar Jotirlinga:** Then we visited Grishneshwar Jyotirlinga Mandir or Grushneshwar. It is the Temple of Shiva in Verul village of Sambhaji Nagar in Maharashtra. It is one of the 12 Jyotirlingas. **Bhadra Maroti:-** Further, we visited the Bhadra Moroti Temple in Khultabad. All the students and Staff took rest at Bhadra Maroti Sanstan's Ashram in Sambhaji Nagar. **The Third Day: 13th March, 2024** **The Ellora Caves -Verul:** On 13th March, 2024 we visited the Ellora Caves. The students were informed that these Ellora Caves not only bear witness to three great religions (Buddhism, Brahminism and Jainism) but they also illustrate the spirit of tolerance, characteristic of ancient India, which permitted these three religions to establish their

	sanctuaries and their communities in a single place. **Sindhkhed Raja:** Then we visited Sindhkhed Raja. Students of our College came to know that Jijamata (Rajmata Jijau) was born on 12th January, 1598 at Sindhkhedraja in Buldhana District. Rajmata Jijau was the Matoshree of Chhatrapati Shivaji Maharaj, the founder of the Maratha Empire. After paying obeisance at Rajmata Jijau's birth place, we reached the College safely on 13th March, 2024 in the evening. In all, thirty two students participated in this Educational Tour. To make this educational tour a successful one, Dr. Jobi George, the Principal of our College, Associate Prof. Dr. Sunil Shinde, Associate Prof. Dr. Motiraj Chavhan, Asst. DETAILED REPORT OF THE ACTIVITY	The College Magazine serves as a valuable platform for the budding writers of our College allowing them to express their thoughts and emotions in a creative manner. It provides a medium for our students to articulate their ideas effectively. The College Magazine holds paramount significance in our education system as it encourages our aspiring writers in refining their skills and motivates them to progress continuously. To realize these objectives, Dr. Jobi George, the Principal of our College, constituted 'Magazine Committee' to offer substantial opportunities to our gifted students. To align with this commitment, the College publishes the Annual Magazine called 'Nirdhar'. This platform allows our students to convey their sentiments through poems, articles, songs, reflections and commentary on contemporary issues. During the Academic Year 2023-2024, the 'Magazine Committee' appointed Student-Editors for 'Nirdhar'. Twelve students participated in an 'Essay Writing Competition', conducted in both Marathi and English languages, on the theme 'General Assembly Election in India: A Festival' on 6th March, 2024. Miss Nisha K. Hinge was selected as the Marathi Editor while Miss Sakshi S. Mohod assumed the role of the English Editor. DETAILED REPORT OF THE ACTIVITY	The Eco Club Committee of our Institution, under the aegis of the IQAC, arranged a remarkable Eco-Friendly Holi Celebration on 26thMarch, 2024 in the College premises. Meticulous research was conducted by the committee members to arrange an environmentally conscious Holi event, gathering a plethora of innovative ideas to ensure its success. A comprehensive plan was meticulously planned, detailing a range of activities, decorations and essential materials. The enthusiastic involvement of Eco Club Volunteers and other interested students was evident as they collaborated ardently to organize and execute the event seamlessly. The Event commenced with enlightening presentation by Asst. Prof. Darshana Dhamdar, the Member Secretary of Eco Club Committee. Asst. Prof. Darshana Dhamdar eloquently elucidated the detrimental consequences associated with the usage of synthetic colours and non-biodegradable substances during conventional Holi celebrations. A place was thoughtfully arranged, empowering the participants to craft their own natural

	colours employing organic elements like beetroot and *Butea monosperma* flowers. Asst. Prof. Dr. Y. K. More elucidated the paramount importance of embracing an Eco-Friendly Holi Celebrati**on**, a necessity that resonates strongly in the present times. Volunteers of Eco-Club were guided through the colour-making process, with a strong emphasis on the environmental advantages of these alternatives. Confronting the issue of water wastage commonly associated with Holi revelries, the committee launched an awareness campaign promoting judicious usage of water. The participants were enlightened about the significance of conserving water, particularly during the festive season, fostering a sense of responsible celebration. In all, twenty-four students, along with Teaching and Non-teaching Staff of the College actively participated in this Event. An Eco-Friendly Holi Celebration stood as a testament to the collective commitment of the Eco Club Committee Members, volunteers and the participants to both environmental consciousness and festive merriment.

PROBLEMS FACED, IF ANY	**Sourcing Organic Materials:** Procuring organic materials like beetroot and specific flowers in sufficient quantities for making natural colours was challenging, especially when they were not readily available locally. **Logistics and Setup:** Setting up stations for

	colour-making and organizing water conservation activities requires proper planning, materials and volunteers. Managing these logistics effectively was challenging for the Committee. Despite these challenges, the successful execution of the eco-friendly Holi celebration demonstrates the dedication and creativity of the Eco Club Committee and its members, in overcoming these obstacles and promoting a more environmentally conscious approach to celebrating festivals.
IMPACT/OUTCOME ACHIEVED	• Created awareness among students about the negative impacts of synthetic colours and non-biodegradable materials on the environment. • Educated the participants about the significance of eco-friendly celebrations and encouraged them to adopt sustainable practices during festivals. • Showcased viable alternatives, such as making natural colours from organic sources like beetroot and flowers, as well as promoting judicious water usage during Holi. • Provided a platform for students, volunteers and the participants to actively engage in collaborative efforts to support eco-friendly initiatives.

	• Empowered Eco Club volunteers and committee members with leadership skills as they took charge of planning, organizing and executing the event.

DETAILED REPORT OF THE ACTIVITY	India is a country of diversity. It is a hub of different religions, castes and cultures. However, the Indian society is characterized by a highly entrenched system of social stratification. It is these social inequalities that created the barriers of denial of access to materials, cultural and educational resources to the disadvantaged groups of the society. These disadvantaged groups are SCs, STs, Women, OBC (non-creamy layer), Minorities and Physically challenged persons. It is clear from the demographic factors that a large section of population of our country is still disadvantaged and marginalized. The establishment of the Equal Opportunity Centre (EOC) at Bhiwapur Mahavidyalaya marks a significant step towards promoting inclusivity, diversity and equality within our academic community. Students from backward classes would be able to access Scholarships, Financial help, advantages from numerous Government-sponsored schemes and preparation for Competitive Examinations through this Centre. Activities centered on business,

	employment and entrepreneurship, as well as activities like "Yuva Samvad Abhiyan," were also suggested. Under the auspices of "Equal Opportunity Centre" of our College, we conducted class-wise Counseling Sessions on 29th November, 2023 for the students of our College. Giving them guidance on Scholarships, Financial aid, Competitive Examinations, Entrepreneurship Development, business opportunities and employment was the main goal. Asst. Prof. Dr. Ravikant Mishra oversaw Event coordination. During Keynote Speech Mr. Khushwant Dhamke emphasized about Scholarships, Financial aid and the required paperwork procedure. Asst. Prof. Dr. Ravikant Mishra provided insight into the range of professional options available through Competitive Examinations. There were 200 students present during the Event. The Institution has its own OBC, SC and ST and Minority Cells. In accordance with them, several Committees arranged programmes which are as follows: 1. Three-Day Job Readiness Workshop in association with Global Talent Track (GTT) Foundation from 19th December, 2023 to 21st December, 2023. 2. Five-Day Workshop on Digital Equalizer for Girls from 20/2/2024 to 24/2/2024. 3. Inauguration and Launching Event of Rashtrasant Tukadoji Maharaj 'Earn and Learn Scheme' on 24th

	January, 2024. 4. Pre-Placement Talk for the students on 16th March, 2024. 5. Three-Day Workshop on Employability with Empathy for the Girls of Final Year from 28th February, 2024 to 1st March, 2024. 6. Participation of students in Rojgar Mahotsav-2023 organized in Umred Constituency on 16th December, 2023. 7. Four-Day Workshop for students on 'Developing Soft Skills for Employability' in association with Rubicon Skill Development Pvt. Ltd., Pune from 19th March, 2024 to 22nd March, 2024. 8. One-Day Workshop on 'Empowering Soft Skill for the students of First Year) on 30th March, 2024. 9. A Grooming Session on Opportunities in Employment and Interview Techniques on 3rd November, 2023. 10. Workshop on UniConnect App on 1st November, 2023. 11. Awareness Workshop on Students' Welfare Schemes organized in association with Rashtrasant Tukadoji Maharaj Nagpur University on 12th January, 2024. 12. Three Day Workshop on Competitive Examinations (UPSC/MPSC) in association with the Unique Academy Pune, Nagpur Branch from 26th March,

2024 to 28th March, 2024.

The establishment and ongoing efforts of the Equal Opportunity Centre at Bhiwapur Mahavidyalaya reflect our commitment to fostering a diverse, inclusive and equitable academic environment. The EOC has made substantial strides in promoting equality and supporting underrepresented groups and its future plans promise continued progress in these vital areas.

DETAILED REPORT OF THE ACTIVITY	A thought-provoking Guest Lecture on 'The Responsibility of Young Voters and Indian Democracy' was held on 1st April, 2024 for addressing the pivotal role of Youth in shaping the future of India. The lecture was delivered by Associate Prof. Dr. Lomesh Bawankule, an esteemed Political Analyst and advocate for Civic Engagement, which was attended by students and Faculty Members, emphasizing the crucial intersection of Youth's participation and Democratic Health in India. The Lecture began with an exploration of

	the Fundamental Principles of Democracy, highlighting the significance of voting as a cornerstone. The speaker emphasized that Democracy thrives when Citizens actively participate in the Electoral Process. In a Nation as diverse as India, the collective voice of its People, particularly the Youth, is essential for a Representative and Functional Democracy. He further explained that India boasts one of the largest Youth populations in the world. This demographic dividend was underscored as both a tremendous opportunity and a significant responsibility. He elucidated those young voters, equipped with Education and Awareness, have the power to influence Policy and Governance by making informed choices. Their active participation is not merely a right but a duty to ensure the Nation's progress and uphold Democratic Values. The Guest Lecture was followed by an Interactive Session where students posed insightful questions, reflecting their concerns and aspirations. Topics ranged from Electoral Reforms to strategies for increasing voter turnout among the Youth. The speaker's responses further enriched the

	discussion, providing practical advice and reinforcing the importance of Civic Engagement. The Guest Lecture on the topic 'The Responsibility of Young Voters and Indian Democracy' was a resounding success, leaving the students with a heightened sense of duty and enthusiasm towards their role in the Democratic Process. It underscored the imperative for Young Voters to be vigilant, informed, and proactive, thereby ensuring that Indian Democracy remains vibrant and robust. The Session concluded with a Vote of Thanks by Asst. STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.	lack of adequate political education. They advocate for incorporating civics and Political Science more robustly into the school curriculum. 2. Establishing mentorship Programmes where experienced politicians can guide young aspirants can foster a new generation of informed and committed leaders. 3. DETAILED REPORT OF THE ACTIVITY	The Magazine Committee, under the guidance of Dr. Jobi George, the Principal of our College, held its first meeting on 20th October, 2023. During this meeting, it was decided to encourage students to contribute their original literary creations, including poems, short stories, essays, and *Charoli*, in both Marathi and English languages for publication in the Annual College Magazine, *Nirdhar*. The Anti-ragging Cell of our Institution organized an Orientation Programme to prevent any untoward incident. The Institution, through its Anti-ragging Cell, adopts zero tolerance towards ragging and strictly complies with the policies and guidelines as notified by the authorities concerned. In order to create a sense of cooperation and empathy among the students and to prevent any student from becoming a victim to ragging, Anti-ragging Orientation

	Programme plays a crucial role in fostering a culture of respect, empathy and inclusion in the College Campus. By raising awareness, establishing support systems and promoting active participation, the Orientation contributed to creating a safer and more conductive learning environment for all the students of our College. The Anti-Ragging Cell of our Institution organized an Awareness Programme on 8th November, 2023 for the students to inform them about Anti-Ragging. Students were strictly instructed about anti-ragging and were informed of strict disciplinary actions if found guilty, as per the guidelines and policies of the Institution. Information on anti-ragging was posted on the Notice Board to create awareness among the students. The Coordinator of the Programme and the Member Secretary of Anti-Ragging Cell Asst. Prof. Dr. Mangesh Kadu delivered the Introductory Speech. The introduction outlined the roles of the University Grants Commission, the Central and State Governments and the Directions of the Supreme Court regarding zero tolerance towards ragging. He further explained that ragging encompasses various forms of harassment, including verbal abuse, physical assault and coercion, often perpetrated

	by seniors against newcomers. It thrives on power dynamics and the desire to assert dominance, creating an atmosphere of fear and intimidation, and the Anti-Ragging Cell of our College adopts zero tolerance towards the same. The Police Inspector of Bhiwapur Police Station Hon. Mr. Jaypalsing Girase, the Chief Guest, guided the students and asked them to create a sense of cooperation and empathy among the students and to prevent any student from falling victim to ragging. In his speech, he emphasized the significance of discipline and time in students' lives. He educated students about the legal provisions of the Indian Penal Code regarding anti-ragging. On this occasion, the Chairperson of the Programme and the Principal of our College, Dr. Jobi George, guided the students regarding anti-ragging and apprised them of the code of conduct. Ragging, a form of bullying in Educational Institutions has long plagued Campuses worldwide, leading to physical, emotional, and psychological trauma of victims. Recognizing its detrimental effects, our Institution has implemented anti-ragging policies and Orientation to foster a safe and inclusive environment for the students, he added. Associate Prof. Dr. Sunil Shinde, Head, Department of Economics, was also present on

	the Dais. Associate Prof. Dr. Madhukar Nandanwar proposed the formal Vote of Thanks.

भिवापूर, ता. २ : अलीकडे तरुणांमध्ये व्यसनाधीनतेचे प्रमाण प्रचंड वाढले आहे. त्यात महाविद्यालयीन विद्यार्थ्यांची संख्या मोठी आहे. स्वतःसह कौटुंबिक व सामाजिक आरोग्य अबाधित राखण्यासाठी युवक व बालकांनी कोणत्याही व्यसनाच्या आहारी जाऊ नये असे आवाहन परिविक्षाधिन पोलिस उपअधीक्षक राहुल झाल्टे यांनी केले.

जागतिक अंमली पदार्थ विरोधी दिनानिमित्त आयोजित जनजागृती कार्यक्रमात मुख्य मार्गदर्शक म्हणून ते बोलत होते. पोलिस ठाणे भिवापूर व भिवापूर महाविद्यालय यांच्या संयुक्त विद्यमाने महाविद्यालयातील सभागृहात या कार्यक्रमाचे आयोजन करण्यात आले होते. अध्यक्षस्थानी प्राचार्य डॉ. जोबी जॉर्ज होते. तर पाहुणे म्हणून पोलिस निरीक्षक जयपालसिंग गिरासे उपस्थित होते. संचालन राष्ट्रीय सेवा योजनेचे विभागीय समन्वयक प्रा. डॉ. मोतीराज चव्हाण यांनी केले. तर आभार प्रा. अमित ठाकरे यांनी मानले.
