All the Internal Examinations conducted by the Examination Committee were found beneficial for the students. Alongside, the teachers circulated Question Banks among students based on objective type questions to make them familiar with the Examination patterns of Competitive Examinations and the University Examinations, which enabled the students to score better marks in the final University Examinations. Students were also made aware of the methodologies of writing question-answers correctly. In addition to that, students were given Model Question Papers by the teachers for enhancing their writing practice. As a result of this, most of the students scored better marks in the University Examinations.

Dr. Jobi George, the Principal of our College, appreciated Associate Prof. Dr. Madhukar Nandanwar and his entire team for conducting all the Examinations with utmost confidentiality. Similarly, Unit Tests, Surprise Tests and Model Examinations were found to be very useful for the students of First, Second, Third, Fourth, Fifth and Sixth Semesters of all the streams in scoring better marks in the University Examinations.

DETAILED REPORT OF THE ACTIVITY

The Institution has developed an efficient mechanism to monitor the attendance of students in the classrooms. To facilitate this, an Attendance Committee was formed at the Institutional Level to monitor students' attendance in the classrooms. To increase the percentage of students' attendance in the classrooms, the Member Secretary of this Committee worked as per the instructions and assignments given by IQAC. As soon as the Academic Session began, all the Teaching Faculties were informed to register the students' names in the Attendance Register as per the list provided by the Office of the Principal. The Member Secretary of the Attendance Committee worked diligently to increase the percentage of students attending the regular classes. He also informed all the Teaching Faculties to ensure the endorsement of the Principal on the Attendance Register at the end of every month.

The students who had less than 75% of attendance in the classrooms were encouraged to attend classes regularly. Students failing to register 75% of attendance were informed and the same was conveyed through Postcards to the Parents.

Mechanism of Working of the Attendance Committee during the Academic Session 2023-2024

- Attendance Committee issued Notice on 15th October, 2023 and asked all the Faculty Members to procure Attendance Register, Work Book, Marker Pen and Duster from the Administrative Office.
- Attendance Committee issued Notice on 12th December, 2023 to the Security Guards to restrict students from moving out of the College premises during the College hours.
- The Security Guards were instructed to maintain the records of students (entry and exit) in the Register who leave the College premises before the scheduled time.
- Attendance Committee issued Notice on 17th October, 2023 and gave instructions to the Administrative Staff to

	<p>update the information about the newly admitted students to the Teachers, i.e. discipline-wise and year-wise.</p> <ul style="list-style-type: none"> The Member Secretary of the Attendance Committee obtained the details of total absentees from the teaching staff and issued 80 Post Cards with the signature of the Principal on 7th October, 2023. The absentees were also instructed to attend classes regularly otherwise; their admission would be cancelled by the Office of the Principal. <p>The Committee used WhatsApp Messages, SMS and E-mail to communicate with the staff and the students.</p>
<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> To increase the percentage of students attending the lectures regularly. To reduce the dropout rates of students considerably. To increase the results of students considerably. To encourage the students to attend classes regularly. To ensure the holistic development of students through their active participation in the curricular, co-curricular and extra-curricular activities of the Institution.
<p>PROBLEMS FACED, IF ANY</p>	<ul style="list-style-type: none"> It was a challenge for the Committee to ensure that the students with legitimate reasons for absenteeism, such as health issues or family emergencies, do not feel unfairly penalized. Coordination among the Teaching Staff, Administrative Staff and Security Guards posed significant logistical challenges. Reliance on traditional methods (Postcards) and Digital Communication (WhatsApp Messages, SMS, email) sometimes faced technological barriers, such as internet connectivity issues or out-dated contact information. <p>However, the Committee addressed these challenges through careful planning, effective communication and contingency strategies which ensured the smooth execution of the task.</p>
