<b>TARGET GROUP</b>	Entire Students of Science Stream		
<b>NUMBER OF STUDENTS / BENEFICIARIES</b>	29		
<b>BRIEF REPORT</b>	<p>The Physics Literary Association of our College, under the aegis of IQAC, celebrated World Science Day on 10<sup>th</sup> November, 2022 with great enthusiasm. World Science Day, observed annually on 10<sup>th</sup> November, highlights the pivotal role of Science in the society and fosters public engagement in discussions about emerging Scientific issues. This observance underscores the relevance of Science in our everyday lives. This year's theme for World Science Day was 'Science for Peace and Development'.</p> <p>The Event was presided over by Asst. Prof. Dr. Anita Mahawadiwar, Head, Department of Commerce, whereas Asst.</p>		

Prof. Dr. R.S. Bahurupi, was the Chief Guest of the programme. Addressing the students, Asst. Prof. Dr. Yogesh More, Head, Department of Physics, elucidated the significance of commemorating World Science Day. In his discourse, he expounded on the pivotal role of science in societal well-being and shed light on potential avenues for future Research.

Many students actively shared their insights on the role of Science in fostering peace and development. Asst. Prof. Dr. Anita Mahawadiwar, in her Presidential Address, encouraged the students to strive diligently to achieve their aspirations.

The Event featured with speeches of five students – Ms. Aishwarya Senapati, Ms. Tonika Paratre, and Ms. Achal Lanjewar from B.Sc. I, Ms. Joya Sheikh from B.Sc. II, and Ms. Pratiksha Fendar from B.Sc. III-who voluntarily delivered talks on the occasion.

Proceeding of the programme was conducted by the Chairperson of Subject Literary Association of Physics Ms. Dhanashri Akhare, while Ms. Pratiksha Fendar proposed the formal Vote of Thanks. In all, 39 students marked their attendance in the Programme.

To enrich the occasion, a brief film depicting the life of the eminent Indian Scientist Dr. A.P.J. Abdul Kalam, was screened for the students.

The celebration of World Science Day not only underscored the essential role of Science but also provided a platform for the students to share their perspectives, thereby fostering a holistic understanding of the role of Science in promoting peace and development.

<p><b>PROGRAMME OBJECTIVES</b></p>	<ul style="list-style-type: none"> <li>• To increase awareness among students about the crucial role that Science plays in the society.</li> <li>• To inspire a deeper understanding and appreciation of the contributions of Science to various aspects of life.</li> <li>• To provide a platform for the students to express their insights on the role of Science in fostering peace and development, thereby encouraging them to engage in meaningful conversations.</li> <li>• To underscore the importance of Science in promoting peace and driving sustainable development.</li> <li>• To motivate our students to consider diverse Research opportunities in the field of Science.</li> </ul>
<p><b>PROBLEMS FACED, IF ANY</b></p>	<p><b>Participant Engagement:</b> Encouraging students to actively participate in the Event, especially in sharing their insights on the role of Science in peace and development, were a challenge due to varying levels of confidence and public speaking skills.</p> <p><b>Screening Arrangements:</b> Setting up and managing the screening of the film on Dr. A.P.J. Abdul Kalam involved technical considerations and logistics.</p> <p>Despite these potential challenges, the successful execution of the World Science Day celebration demonstrated the collective efforts and effective planning of the organizing team, highlighting the importance of Science and fostering a sense of community and awareness among students.</p>

**PROGRAMME  
OUTCOMES**

- Increased awareness among students about the crucial role that Science plays in the society.
- Inspired a deeper understanding and appreciation of the contributions of Science to various aspects of life.
- Provided a platform for the students to express their insights on the role of Science in fostering peace and development, thereby encouraging them to engage in meaningful conversations.
- Underscored the importance of Science in promoting peace and driving sustainable development.
- Motivated our students to consider diverse Research opportunities in the field of Science.
