DETAILED REPORT OF THE ACTIVITY	<p>Department of Botany and the Green Club, under the aegis of our IQAC Chapter, organized a vibrant Flower Show from 29th January, 2025 to 31st January, 2025 on the College Lawn. The Flower Show featured a stunning array of flowering plants from our College garden, lovingly nurtured over the past year.</p> <p>At the outset, students were informed that the Flower Show is not only a beautiful collection of specimens and designs but a prime opportunity to capture the wonder and minds of the viewing public and Club members. The Flower Show stimulates interest in growing and showing horticulture, creating floral designs, and expressing creativity. It can be an invaluable way to educate and share knowledge of National Garden Clubs from local organizations to national goals and objectives. The Flower Show can be as simple as an intimate gathering or be a large celebration of horticulture. At any scale, the Flower Show brings community members together to learn, grow, and display. It allows the participants to express their creativity through floral arrangements and designs, fostering a sense of artistic appreciation. Along with that, the Flower Show provides a space for individuals to showcase their unique talents and perspectives on horticulture and floral design. Due to this awareness, students eagerly contributed by bringing plants from their own homes, adding to the diversity and richness of the Flower Show.</p> <p>Participation of Aasanya Nursery of Bhiwapur further enhanced the charm of the Event. It contributed to the beauty of the floral displays. Local residents flocked to the exhibition, drawn not only by the breath-taking flowers but also by the opportunity to purchase plants for their own</p>

	<p>gardens.</p> <p>The Inaugural Ceremony was a highlight, graced by Respected Shri Sanjayji Meshram, MLA, Umred Legislative Assembly, Maharashtra, Shri Shankarlalji Gupta, Shri Sharad Mire and Dr. Jobi George, the Principal of our College.</p> <p>Throughout the Flower Show, students, members of the Teaching and Non-teaching Staff, along with the community members, reveled in the beauty of nature, making the Flower Show a memorable and Resplendent Event for all.</p>
<p>PROGRAMME OBJECTIVES</p>	<ul style="list-style-type: none"> ● To foster an appreciation for nature's beauty and the importance of plants in our ecosystem. ● To educate the participants about different types of flowers, their characteristics, and growth habits. ● To teach the participants basic horticultural skills, such as flower arrangement, care, and maintenance. ● To offer a market place for attendees to purchase plants, supporting local nurseries. ● To encourage the use of eco-friendly methods in plant cultivation and care. ● To create an Event that allows the participants to appreciate the beauty of nature. ● To showcase the commitment of our Institution for extracurricular and community-oriented activities. ● To encourage the participants to think creatively and develop innovative ideas for flower arrangements, garden designs, and other related projects.

<p>PROBLEMS FACED, IF ANY</p>	<p>Challenges:</p> <ul style="list-style-type: none"> • Unexpected weather changes, such as heavy rain or extreme heat, which was a challenge for the setup and maintenance of the Flower Show. • Plant Care and Maintenance: Ensuring that exhibits are properly cared for and maintained during the Flower Show. • Pests and Disease Management: Preventing the spread of pests and diseases among exhibits. • Plant Availability: Sourcing rare or exotic plants for exhibits. • Ensuring all plants are healthy and disease-free required diligent care and monitoring. • Organizing an effective clean-up process after the Event to restore the venue to its original state.
<p>IMPACT/OUTCOME ACHIEVED</p>	<ul style="list-style-type: none"> • Raised awareness among students about the importance of plants and biodiversity. • Fostered a sense of community among students, faculty and local residents. • Educated the attendees about different plant species, their care and cultivation techniques. • Provided the students with an opportunity to demonstrate their gardening skills and botanical knowledge. • Offered a marketplace for attendees to purchase plants, supporting local nurseries. • Created an Event that allows the participants to appreciate the beauty of nature. • Encouraged the use of eco-friendly methods in plant cultivation and care. • Showcased the commitment of our Institution for extracurricular and community-oriented activities.

ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.

The participants provided Feedback, with most of them praising the Institution’s efforts and expressing a strong desire for more similar initiatives in the future.
