DETAILED REPORT OF THE ACTIVITY	<p>The <i>School Connect Programme 2.0</i>, launched by the Government of Maharashtra, is a flagship initiative aimed at engaging students and fostering awareness about the various dimensions of National Education Policy (NEP) 2020. Targeted specifically the students from Grades 8 to 12 enrolled in Junior Colleges and Higher Secondary Schools across the state, the Programme seeks to build a strong foundation for the successful implementation of NEP-2020.</p> <p>In alignment with this state-wide initiative, our College, under the dynamic leadership of Principal Dr. Jobi George, proactively constituted dedicated teams comprising members of the teaching staff. Each team was entrusted with the responsibility of promoting awareness about the <i>School Connect NEP-2020 Programme</i> within designated areas. Accordingly, 4 to 5 schools were allotted to each group.</p> <p>The Group Leaders-Associate Prof. Dr. M. V. Chavhan, Associate Prof. Dr. R. K. Quraishi, Prof. Dr. M. V. Nandanwar, and Associate Prof. Dr. R. S. Bahurupi-along</p>

PROGRAMME OBJECTIVES

- To create awareness among students, teachers, and school administrators about the key features of the National Education Policy (NEP) 2020.
- To disseminate information on the structural and pedagogical reforms proposed under NEP-2020.
- To encourage the adoption of flexible subject combinations and multidisciplinary learning approaches

	<p>in schools.</p> <ul style="list-style-type: none"> • To highlight the importance of experiential and skill-based education for the holistic development of students. • To promote understanding of new academic structures such as Multiple Entry and Exit Options and the Academic Bank of Credits (ABC). • To familiarize students and educators with the Choice-Based Credit System (CBCS) and various degree formats. • To encourage the integration of technology in classroom instruction and the use of digital tools for effective teaching-learning processes. • To emphasize the importance of vocational training and career readiness in the school curriculum. • To build capacity among educators for the smooth and effective implementation of NEP-2020. • To encourage schools to adopt innovative, learner-centric practices in line with national educational goals.
<p>PROBLEMS FACED, IF ANY</p>	<p>Challenges:</p> <p>Limited awareness and understanding of NEP-2020</p> <ul style="list-style-type: none"> • Many students, teachers, and even school administrators have had limited prior knowledge about the key features and long-term implications of NEP-2020. • Misconceptions or confusion about complex policy terms like ABC, CBCS, or multiple entry-exit options, have hampered clarity. <p>Time Constraints</p> <ul style="list-style-type: none"> • Coordinating visits during the academic calendar was a challenge due to on-going school schedules, exams, or other institutional activities. • Limited time slots available for Awareness Sessions reduced the depth and quality of interaction. <p>Logistical Challenges</p>

	<ul style="list-style-type: none"> • Organizing transport, coordinating with schools, ensuring attendance of students and staff, and managing schedules for over 20 faculty members involved significant logistical effort. • Ensuring uniformity in the delivery of information across multiple groups and schools was challenging for the Group Leaders. <p>However, the Organizing Committee addressed these challenges through careful planning, effective communication, and contingency strategies which ensured the smooth execution of the Activity.</p>
<p>IMPACT/OUTCOME ACHIEVED</p>	<ul style="list-style-type: none"> • Created awareness among students, teachers, and school administrators about the key features of the National Education Policy (NEP) 2020. • Disseminated information on the structural and pedagogical reforms proposed under NEP-2020. • Encouraged the adoption of flexible subject combinations and multidisciplinary learning approaches in schools. • Highlighted the importance of experiential and skill-based education for the holistic development of students. • Promoted the understanding of new academic structures such as Multiple Entry and Exit Options and the Academic Bank of Credits (ABC). • Familiarized students and educators with the Choice-Based Credit System (CBCS) and various degree formats. • Encouraged the integration of technology in classroom instruction and the use of digital tools for effective teaching-learning processes. • Emphasized the importance of vocational training and career readiness in the school curriculum. • Tried to build capacity among educators for the smooth and effective implementation of NEP-2020.

- Encouraged schools to adopt innovative, learner-centric practices in line with national educational goals.

ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.

Participants from the visited schools expressed their enthusiastic appreciation for the initiative, noting that the Sessions were highly informative, engaging, and effectively clarified the core components of NEP-2020. Many educators and students welcomed the interactive approach and commended the College teams, for simplifying complex concepts, particularly regarding skill-based education and flexible learning pathways. The Programme was lauded for sparking curiosity and encouraging schools to begin adopting NEP-aligned practices.
