BENEFICIARIES/TARGET GROUP	All the students of Science Stream		
NUMBER OF STUDENTS/BENEFICIARIES	29		

DETAILED REPORT OF THE ACTIVITY	Department of Physics, under the banner of Science Literary Association and IQAC, celebrated World Science Day on 10th November, 2024 with great enthusiasm. World Science Day, observed annually on 10th November, highlights the pivotal role of Science in the society and fosters public engagement in discussions about emerging Scientific issues. This observance underscores the relevance of Science in our everyday lives. This year's theme for World Science Day was 'Why Science Matters: Engaging Minds and Empowering Futures'. This theme emphasizes the importance of connecting young people to science and encouraging their participation in scientific endeavours to address global issues like environmental sustainability and healthcare. The day is also celebrated under the International Decade of Science for Sustainable Development (2024-2033), which focuses on the role of science in empowering youth and driving future innovations. On this auspicious occasion, Department organized an Online National Level Scientific Prose Writing Competition on the topic "Empowering Communities Through Science". Twenty nine Students for various Colleges have actively participated in this competition.
PROGRAMME OBJECTIVES	• To increase awareness among students about the crucial role that Science plays in the society. • To inspire a deeper understanding and appreciation of the contributions of Science to various aspects of life. • To provide a platform for the students to express their insights on the role of Science in empowering the Society, thereby encouraging them to engage in meaningful conversations. • To underscore the importance of Science in driving sustainable developments in future. • To motivate our students to consider diverse Research opportunities in the field of Science.
IMPACT/OUTCOME ACHIEVED	• Raised awareness among students about the crucial role that Science plays in the society. • Inspired a deeper understanding and appreciation of the contributions of Science to various aspects of life. • Provided a platform for the students to express their insights on the role of Science in empowering the Society, thereby encouraging them to engage in meaningful conversations. • Underscored the importance of Science in driving sustainable developments in future. • Motivated our students to consider diverse Research opportunities in the field of Science.
ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.	Students were greatly benefited through this activity. They are inspired and motivated through this activity.
