DETAILED REPORT OF THE ACTIVITY

2025-2026

ACADEMIC SESSION	2025-2026
ORGANIZING INSTITUTION/COLLABORATING INSTITUTIONS	Bhiwapur Mahavidyalaya's Entrepreneurship Development Cell (EDC) in association with Maharashtra State Khadi & Village Industries Board (MSKVIB), Nagpur.
NAME OF THE ACTIVITY	Bee- keeping and Honey Production
CORE AREAS COVERED	▪ Practical, hands-on learning to identify different types of bees using live hives located on the College premises. ▪ Understanding the structure, function and management of artificial hives, demonstrated through a sample brood box. ▪ The practical processes involved in safely and effectively extracting honey. ▪ The crucial role that honey-bees play in pollination, agriculture and maintaining ecological balance. ▪ The scope and business viability of bee-keeping and honey production as a means of self-reliance for students. ▪ Information regarding the specific concessions, support, and schemes offered by MSKVIB for launching new honey-production ventures.
SCHEDULE	From 29 th April, 2026 from 11.00 a.m. onwards
VENUE	Smart Classroom, First Floor of the Administrative Building
MODE OF ACTIVITY (ONLINE/OFFLINE (IF ONLINE, GIVE WEBLINK))	Offline
ORGANIZING COMMITTEE	Entrepreneurship Development Cell

CHIEF COORDINATOR	Asst. Prof. Dr. Vinita S Virgandham
COMMITTEE MEMBERS	▪ Asso. Prof. Dr. Motiraj R Chavhan ▪ Asso. Prof. Dr. Rahil K Quraishi ▪ Asso. Prof. Dr. Rajesh Bahurupi
KEYNOTE SPEAKER/RESOURCE PERSON/PERSONS (Furnish a Brief Report on the Keynote Speaker's Expertise)	Mr. Rahul Vaidya, Madhuskhestrak, Maharashtra State Khadi and Village Industries Board
BENEFICIARIES/TARGET GROUP	Students from all the disciplines
NUMBER OF STUDENTS/BENEFICIARIES	77
DETAILED REPORT OF THE ACTIVITY	Bhiwapur Mahavidyalaya hosted a highly informative Training Session on "Bee-Keeping and Honey Production." The Event was organized by the Institution's Entrepreneurship Development Cell (EDC) in association with MSKVIB, Nagpur, to promote self-reliance and practical skills among students. The Session commenced with an introductory speech by Asst. Prof. Dr. Vinita S. Virgandham, Member Secretary of the EDC, who highlighted the vital role and growing importance of rural entrepreneurship in today's economy. The training was conducted by the expert speaker for the day, Mr. Rahul Vaidya from MSKVIB, Nagpur. The Session was designed to be highly interactive and practical, moving beyond theoretical knowledge. Mr. Rahul Vaidya conducted a hands-on Session using the live bee hives present within the College premises, helping students physically identify different bee species. A sample brood box was displayed and thoroughly explained to the participants detailing the mechanics of artificial bee-keeping and honey extraction. The trainer also emphasized the critical role that honey bees play in the environment, particularly regarding pollination and ecological balance. To further encourage the students to take up bee-keeping as a viable business, Mr. Rahul Vaidya announced various financial concessions and support schemes offered by MSKVIB for students eager to launch their own honey-production ventures.

	Principal Dr. Jobi George in his message to the students emphasised that the Institution remains deeply committed to its vision of empowering students by promoting Sessions that build practical, real-world entrepreneurial skills. The Event was graced by the IQAC Coordinator Asso. Prof. Dr. Anita Mahawadiwar and Prof. Dr. Sunil Shinde from the Department of Economics. The Training Programme concluded with a formal Vote of Thanks proposed by Asso. Prof. Dr. Rahil Quraishi, expressing gratitude to the Guest Speaker, the organizers and the enthusiastic students in attendance.
PROGRAMME OBJECTIVES	▪ To equip students with practical, hands-on knowledge regarding apiary management and honey extraction. ▪ To inspire students to view bee-keeping as a viable, low-investment business opportunity in rural sectors. ▪ To educate participants on the indispensable role of honey bees in pollination and biodiversity conservation. ▪ To demonstrate how local flora and existing College premises can be utilized for sustainable honey production. ▪ To bridge the gap between students and Government bodies by introducing them to MSKVIB schemes and financial concessions.
PROBLEMS FACED, IF ANY	▪ Many rural students lack the specialized knowledge required to handle live bee colonies safely and effectively as earlier they used traditional methods of smoking the hives. ▪ The perceived cost of equipment and brood boxes can be a deterrent for students from marginalized backgrounds. ▪ Initial hesitation and safety concerns among beginners when dealing with live hives and different bee species. ▪ Challenges in finding reliable supply chains and fair pricing for honey products in local and urban markets. ▪ Risks posed by pesticides in surrounding agricultural lands and the impact of climate

Sub: Request to conduct a Workshop on 'Bee-Keeping and Honey Production'

Respected Sir/Madam,

The 'Entrepreneur Development Cell' of our college is keen to promote skill-based learning and sustainable livelihood opportunities among students and staff. In line with this objective, we propose to organize a one-day workshop on **Bee-Keeping and Honey Production** on **29th April 2026 at 11:00 AM** at Bhiwapur Mahavidyalaya.

This Workshop aims to create awareness about apiculture as a viable entrepreneurial activity, highlighting its economic, environmental, and agricultural benefits. It will also provide participants with practical insights into modern bee-keeping techniques, honey processing, and potential business opportunities in this field.

We sincerely request you to kindly depute a knowledgeable and experienced officer/expert from your esteemed Department to serve as the Keynote Speaker for this Workshop. Their expertise would greatly enrich the session and inspire participants to explore this promising sector.

We would be grateful for your support in making this initiative successful. Kindly confirm your availability at your earliest convenience. We assure you of our full co-operation and hospitality during the visit.
