DETAILED REPORT OF THE ACTIVITY	The Guidance Centre for Competitive Examinations successfully organized a specialized six-day lecture series for competitive exam aspirants, which was completely driven by the internal faculty members of the college. While the initial tentative schedule was drafted for March 16, 2026, to March 21, 2026, the Workshop Sessions were strategically rescheduled and conducted smoothly across six days based on the mutual availability and academic convenience of the participating teachers. Held daily from 12:20 p.m. to 1:50 p.m., the lecture series provided in-depth coverage of core syllabus components crucial for competitive examinations. The comprehensive curriculum was delivered by dedicated faculty teams across the following specialized areas: Social reformers covered by Asso. Prof. Dr. Motiraj Chavhan. Polity & Fundamental Rights: Conducted by Asso. Prof. Dr. Mangesh Kadu. General Sciences (Physics, Chemistry, Biology & Environment): Guided by a joint team comprising Asst. Prof. Dr.

	Yogesh More, Asst. Prof. Amit Thakare, Asst. Prof. Dr. Ashwini Kadu, Asst. Prof. A. Kedar, and Asst. Prof. D. Dhamdhar. Current Events & Government Agricultural Schemes: Conducted by Prof. Dr. Sunil Shinde. Mathematics: Delivered by Asst. Prof. Dr. Ravikant Mishra. Marathi Grammar & Usage: Conducted by Prof. Dr. Madhukar Nandanwar. By shifting to an internal faculty model, the Institution successfully optimized its in-house academic expertise to provide continuous, high-quality guidance tailored directly to the students' needs.
PROGRAMME OBJECTIVES	▪ To strategically leverage the College's own specialized faculty members to provide high-quality, continuous guidance tailored to competitive exam aspirants. ▪ To offer in-depth, structured insights into core syllabus components, including Polity, Social Reformers, General Sciences, Mathematics, Current Events and Language Grammar. ▪ To strengthen students' fundamental understanding of diverse subject areas through targeted, daily 90-minute lecture sessions. ▪ To establish a sustainable and self-reliant internal training model for competitive examinations without relying on external agencies. ▪ To design and execute a rigorous preparation schedule that aligns harmoniously with the academic calendar and institutional routines.
PROBLEMS FACED, IF ANY	▪ The programme faced hurdles when the original tentative dates (March 16 to March 21, 2026) had to be rescheduled. ▪ Coordinating the lecture series required balancing the heavy academic workloads, routine teaching duties and personal availability of multiple senior internal faculty members. ▪ Restricting the sessions to a specific daily slot (12:20 p.m. to 1:50 p.m.) limited the flexibility to extend sessions when complex topics required deeper exploration. ▪ Fitting vast, complex subject areas such as the entire spectrum of General Sciences (Physics, Chemistry, Biology, and Environment) into a limited framework required intense summarization.

IMPACT/OUTCOME ACHIEVED

- Managing joint teaching teams (such as the five-member science faculty group) required precise communication to prevent topic overlap and ensure a cohesive learning flow.
- Aspirants gained a comprehensive understanding of critical exam verticals, ranging from fundamental rights and mathematical concepts to Marathi grammar rules.
- The Institution successfully demonstrated the efficacy of an internal faculty model, maximizing in-house talent and fostering a culture of academic mentorship.
- Participating students received focused, syllabus-driven training, directly boosting their confidence and preparation strategy for upcoming competitive examinations.
- Despite changes to the initial plan, the Institution successfully delivered all planned curriculum modules through strategic rescheduling.
- Students gained valuable insights into contemporary global events and critical government agricultural schemes vital for the general awareness sections of competitive tests.

NOTICE

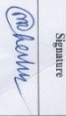

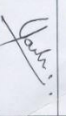

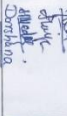

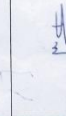

Date: 9 March 2026

All staff members are hereby informed that the Guidance centre for Competitive Examinations is organizing a comprehensive Lecture Series specifically designed for students preparing for upcoming competitive examinations (MPSC/UPSC/Banking etc.) from 16/03/2026 to 21/03/2026. This initiative aims to strengthen the foundational knowledge and exam readiness of our students through expert sessions by our In-house Faculties. All Department Heads and Mentors are requested to encourage students from their respective classes to register and attend these sessions punctually.
