NUMBER OF STUDENTS/BENEFICIARIES	90 Students
DETAILED REPORT OF THE ACTIVITY	An Anti-Ragging Awareness Programme was organized in our Institution with the primary goal of sensitizing students toward the psychological, social, and legal implications of ragging. Recognizing that traditional lectures can sometimes fail to engage the youth, the Committee chose a skit-based approach to mirror real-life scenarios and evoke empathy among the students' body. The Programme commenced with a formal welcome of the dignitaries. The President of the Programme, Dr. Jobi George, addressed the gathering and emphasized the importance of maintaining a ragging-free campus. He highlighted that educational Institutions must ensure a safe and supportive environment for all the students. The main highlight of the Programme was a Skit performance by students**,** which effectively portrayed real-life situations related to ragging. The Skit depicted the emotional trauma faced by victims and the legal consequences faced by offenders. It also conveyed a strong message about unity, respect, and mutual understanding among students. The keynote speaker, Asst. Prof. Dr. Mangesh

	Kadu, delivered an insightful lecture on the legal framework related to ragging and stressed the importance of students' responsibility in preventing such activities. He encouraged the students to act as responsible citizens and contribute to build a positive campus culture. Special guests Prof. Dr. Sunil Shinde and Asso. Prof. Dr. Anita Mahawadiwar shared their valuable thoughts on students' behaviour, discipline, and the importance of empathy in academic life. They appreciated the efforts of the Anti-Ragging Cell and the students for organizing such an impactful Programme. The Programme was effectively coordinated by Asst. Prof. Dr. Ravikant Mishra, the Member Secretary of the Anti-Ragging Cell. The Programme concluded with a collective pledge by students and faculty to maintain a zero-tolerance policy toward ragging in any form.
PROGRAMME OBJECTIVES	• To create awareness among students about the meaning, types, and consequences of ragging. • To educate students about Anti-Ragging Laws, UGC Regulations, and Institutional Policies. • To sensitize students towards the emotional and psychological impact of ragging on victims. • To promote a safe, respectful, and friendly campus environment. • To encourage students to report ragging incidents without fear. • To strengthen positive interaction and bonding among senior and junior students. • To use Skit as an effective medium to convey social messages in an engaging

	manner.
PROBLEMS FACED, IF ANY	• Limited time for rehearsal and preparation of the Skit. • Initial hesitation and stage fear among students participating in the performance. • Difficulty in ensuring full participation and attention of all students. • Managing large student gatherings during the Programme. • Lack of prior awareness among some students about the seriousness of ragging.
IMPACT/OUTCOME ACHIEVED	• Students gained clear understanding of ragging and its serious consequences. • Students became more sensitive towards the feelings and dignity of others. • Positive attitude and healthy communication among students were promoted. • Students were encouraged to take responsibility in maintaining a ragging-free campus. • Increased confidence among students to report any such incidents. • The Skit method proved effective in delivering the message in an impactful and memorable way.

ANALYSIS REPORT OF THE FEEDBACK OBTAINED FROM STUDENTS/ BENEFICIARIES/ ACADEMIC PEERS ETC.	Participants found the Programme informative, impactful, and beneficial in promoting values of respect, empathy, discipline, and responsible citizenship. 
GEOTAG PHOTO GALLERY WITH CAPTIONS (Only GEOTAG photos covering the entire gamut/span of the activity will be accepted)	Notice circulated by the Anti-Ragging Cell, Bhiwapur Mahavidyalaya, announcing the Anti-Ragging Awareness Programme.
