DETAILED REPORT OF THE ACTIVITY	The tour commenced from the College Campus in the morning on 30th September, 2025. Students and staff first visited Morarjee Textiles Ltd., Butibori, Nagpur, a leading textile manufacturing Unit in Butibori, Nagpur. The Company officials welcomed the group and conducted an Orientation Session on the Company profile, production process, and safety measures. Students observed various sections including spinning, weaving, dyeing, processing, and quality control. Officials explained modern textile technology, automation, and export procedures, which greatly benefited the students. Later, the students visited Shani Mandir, Makardhokda, Umred, a well-known pilgrimage centre. The visit was aimed to instill cultural values and provide mental relaxation after the industrial visit. The Event was successfully coordinated by Prof. Dr. Sunil Shinde, Associate Prof. Dr. Mangesh Kadu, Associate Prof. Dr. Motiraj Chavhan, Prof. Dr. Madhukar Nandanwar, Associate Prof. Dr. Rajesh Bahurupi, Asst. Prof. Dr. Aditya Sarwe, and Asst. Prof. Dr. Someshwar Wasekar. A total of 39 students participated in the tour with great enthusiasm and discipline. The Principal, Dr. Jobi George, appreciated the students and the teaching staff of the College for successfully arranging this Event.
PROGRAMME OBJECTIVES	• To provide students with practical exposure to industrial operations and help them to correlate classroom concepts with real-world applications. • To acquaint students with modern machinery, production processes, quality control techniques, and technological innovations used in industry.

	• To familiarize students with industrial work culture, safety norms, organizational structure, and roles of various departments. • To create opportunities for students and faculty to interact with industry experts, understand current market trends, and explore skill requirements. • To help students identify potential career paths, entrepreneurship opportunities, and internship possibilities in their respective fields.
PROBLEMS FACED, IF ANY	To manage the Event in the stipulated time was a challenge for the Coordinators.
IMPACT/OUTCOME ACHIEVED	• Students gained first-hand knowledge of production processes and technologies, leading to better understanding of their curriculum. • Participants identified key technical and soft skills required by industry, motivating them to upgrade their competencies. • The tour facilitated networking with company officials, paving the way for future collaborations, guest lectures, and internships. • Students developed teamwork, observation, and report-writing skills, fulfilling the experiential learning objectives of NEP 2020.
